The role of the CSR Committee includes the following:

- a)** To formulate and recommend to the Board a corporate social responsibility (CSR) policy for the Company.
- b)** To recommend CSR activities and expenditure on the same.
- c)** To monitor implementation of the CSR policy of the Company from time to time.
- d)** To formulate and recommend to the Board an annual action plan in pursuance of the CSR policy of the Company (containing such details as may be required under applicable law(s), including the Companies Act, 2013 and rules made thereunder).
- e)** Any other role/ functions as may be specifically referred to the Committee by the Board of Directors and / or other committees of Directors of the Company, or as may be required under the Companies Act, 2013 and rules made thereunder, as amended from time to time, or any other applicable law(s) for the time being in force.

4. STAKEHOLDER RELATIONSHIP COMMITTEE ("SR Committee")

Composition:

The Stakeholder Relationship Committee of the Board of Directors of the Company as on March 31, 2025, consists of the following Members:

1. Mrs. Rupa Vora, Member
2. Mr. Karnam Sekar, Member
3. Mr. Gaurav Maheshwari, Member

Terms of references:

The role of the SR Committee includes the following:

- a)** Resolving the grievances of the security holders of the Company including complaints related to transfer/ transmission of shares, non-receipt of annual report, non-receipt of declared dividends, issue of new/ duplicate certificates, general meetings etc.
- b)** Review of measures taken for effective exercise of voting rights by shareholders.
- c)** Review of adherence to the service standards adopted by the Company in respect of various services being rendered by the Registrar & Share Transfer Agent.
- d)** Review of the various measures and initiatives taken by the Company for reducing the quantum of unclaimed dividends and ensuring timely receipt of dividend warrants/annual reports/statutory notices by the shareholders of the company.

STATUTORY REPORTS

Directors' Report (Contd.)

COMPANY'S POLICY ON DIRECTORS' APPOINTMENT AND REMUNERATION FOR DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

As per section 178 of the Companies Act, 2013 requires the NRC to formulate a policy relating to the remuneration of the Directors, Senior Management/KMPs and other employees of the Company and recommend the same for approval of the Board.

Further, Section 134 of the Companies Act, 2013 stipulates that the Board's Report is required to include a statement on Company's Policy on Directors' appointment and remuneration including criteria for determining qualifications, positive attributes, independence of director and remuneration for KMPs and other employees.

Accordingly, the Board of Directors have based on the recommendation of the NRC, approved the policy on Directors' appointment and remuneration for Directors, KMP and other employees, which is available on the website of the Company.

PERFORMANCE EVALUATION

The Board acknowledges its intention to establish and follow "best practices" in Board governance to fulfil its fiduciary obligation to the Company. The Board is committed to assessing its own performance as a Board to identify its strengths and areas in which it may improve its functioning.

The Company has laid down an Evaluation Policy for evaluation of the Board, its Committees, Chairperson as approved by the Board of Directors, setting the criteria based on which the Board has carried out an annual performance evaluation of its own performance, the individual directors as well as the evaluation of its various Committees and Chairperson. The evaluation was conducted based on a structured questionnaire which comprises performance criteria such as performance of duties and obligations, independence of judgement, level of engagement and participation, their contribution in enhancing the Board's overall effectiveness, etc. The Board has expressed their satisfaction with the evaluation process.

DEPOSITS

The Company has not accepted any deposits from the public under the provisions of 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014, as amended, during the FY 2024-2025.

AUDITORS AND THEIR AUDIT REPORT

Statutory Auditors:

The Board of Directors at its meeting held on September 2, 2024 on the recommendation of the Audit Committee and the members of the Company at its 14th Annual General Meeting held on September 30, 2024 and pursuant to provisions of Section 139 of the Companies Act, 2013 read with Companies (Audit and Auditors) Rules, 2014 and other applicable provisions, if any, approved the appointment of M/s. Deloitte Haskins & Sells LLP, as the Statutory Auditors of the Company, to hold office for a period of 5 years from the conclusion of 14th Annual General Meeting till the conclusion of the 19th Annual General Meeting of the Company to be held in the year 2029 – 2030, at such remuneration plus applicable taxes, and out of pocket expenses, as may be mutually agreed between the Board of Directors and with Auditors among themselves.

During the year under review, the statutory auditors confirmed that they had remained independent throughout the duration of the audit engagement, as required by the relevant ethical /independence requirements as enunciated in the Code of Ethics issued by the ICAI.

The Statutory Auditors Report for the F.Y ended March 31, 2025, does not contain any qualifications, reservations or adverse remarks which require any clarifications/ explanations by the Board.

Secretarial Auditor:

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed M/s. Ashish Karodia & Co. to undertake the secretarial audit of the Company for the financial year 2024-25.

The Secretarial Audit Report is appended as '**Annexure B**' to this Report. There is no adverse remark, qualification, reservation or disclaimer in the Secretarial Audit Report.

Directors' Report (Contd.)

Internal Auditors

The Company has in place a well-defined and robust internal audit plan, as agreed by the Audit Committee, and is aligned in a way that provides an independent view to the Board of Directors, the Audit Committee and the Senior Management on the quality and efficacy of the internal controls, governance systems and processes in place. As per the agreed scope of audit, the appointed Internal Auditor, Ms. Nikita Mehra Mall periodically carries out audits on a test basis and reports her observations and recommendations to the Audit Committee for corrective and preventive actions.

Reporting of frauds by auditors:

During the year under review the Statutory Auditors, have not reported any instance of frauds committed in the Company by its officers or employees to the Board of Directors under Section 143(12) of the Companies Act, 2013, details of which needs to be mentioned in this Report.

INTERNAL CONTROL/INTERNAL FINANCIAL CONTROLS SYSTEMS AND THEIR ADEQUACY

The Company has in place adequate internal financial controls with reference to the financial statements commensurate with the size, scale, and complexity of the operations of the Company as on March 31, 2025.

During the year under review, the Internal Auditors of the Company evaluated the adequacy of all internal controls and processes and ensures strict adherence to clearly laid down processes and procedures as well as to the prescribed regulatory and legal framework and no material weaknesses in the design or operations were observed and reported by the Auditors.

SECRETARIAL STANDARDS

The Company complies with the applicable Secretarial Standards issued by the Institute of Company Secretaries of India with respect to the Board Meetings & General Meetings.

RELATED PARTY TRANSACTIONS

Related party transactions (RPTs) entered into by a Company during the FY under review were on an arm's length basis and were in the ordinary course of business in compliance with the requirement of the Companies Act, 2013 and the Rules framed thereunder.

The particulars of such contracts or arrangements with related parties referred to Section 188(1), as prescribed in Form AOC – 2 under Rule 8(2) of the Companies (Accounts) Rules, 2014, are specified in the '**Annexure C**' annexed to this Report.

Further, a statement showing the disclosure of related party transactions as per Ind AS 24 is set out in Notes to the Standalone Audited Financial Statements.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS

There are no significant and material orders passed by the regulators or courts or tribunals that would impact the going concern status of the Company and its future operations.

CORPORATE SOCIAL RESPONSIBILITY

Basis the computation of the average net profit for the purpose of determining the spending on CSR activities in accordance with the provisions of section 198 of the Companies Act, 2013, the Company was not required to spend on the CSR activities for this financial year 2024-25 pursuant to Section 135 of the Companies Act, 2013 ("Act") and the Companies (Corporate Social Responsibility Policy) Rules, 2014 as amended from time to time.

The Annual Report on CSR activities is annexed herewith as '**Annexure D**'.

MAINTENANCE OF COST RECORDS

The Company is in the financial services industry. In view of the nature of activities which are being carried on by the Company, the maintenance of cost records as specified by the Central Government under sub-section (1) of section 148 of the Act is not applicable on the Company and hence such accounts and records are not maintained.

MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY

There are no material changes or commitments which affect the financial position of the Company which have occurred

STATUTORY REPORTS

Directors' Report (Contd.)

between end of the financial year to which the financial statements relate, and the date of this Report other than as explained above in the para – Composite Scheme of Arrangement.

EMPLOYEE STOCK OPTION SCHEME

The ESOP Plan & Scheme for the employees of the Company including the employees of its Subsidiary companies has been adopted in accordance with Companies Act, 2013 and the applicable provisions, with the objective of rewarding the Employees for building the value of the Company and for providing to the employees a sense of ownership and participation in the Company and also to provide them with an opportunity to share in the value creation in its business.

The disclosure on Employee Stock Option Schemes as required under Rule 12 of the Companies (Share Capital and Debentures) Rules, 2014 for the F.Y ended March 31, 2025, is annexed as 'Annexure E' of this Report.

DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to Section 134(5) of the Companies Act, 2013 the Board to the best of its knowledge and ability, hereby confirms that:

- (i) In the preparation of the Audited Annual Accounts of the Company for the FY ended March 31, 2025, applicable accounting standards have been followed, with proper explanations provided for material departures (if any);
- (ii) The Board has selected such accounting policies and applied them consistently and made judgements and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the FY under review and of the loss of the Company for that period;
- (iii) Board has taken proper and sufficient care for the maintenance of adequate accounting records of the Company in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (iv) The Board has prepared the accounts for the FY ended March 31, 2025, on a 'going concern' basis;
- (v) The Board has laid down internal financial controls for the Company and such internal financial controls are adequate and operating effectively; and
- (vi) The Board has devised proper systems to ensure compliance with the provisions of applicable laws and such systems were adequate and operating effectively.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS UNDER SECTION 186 OF THE COMPANIES ACT, 2013

Pursuant to the provisions of the Section 186 of the Companies Act, 2013, disclosure on particulars, relating to Investments made by the Company are given in the notes to Financial Statements as applicable.

PARTICULARS OF EMPLOYEES AND RELATED INFORMATION

The Company being an unlisted company, the provisions of Section 197(12) are not applicable.

Further, Mr. Bhupinder Singh designated as Whole Time Director and CEO and Mr. Gaurav Maheshwari designated as Whole Time Director and CFO of the Company as per section 203 of Companies Act, 2013 receive remuneration from the subsidiary Company i.e. M/s. InCred Financial Services Limited.

The remuneration details for Key Managerial Personnel as per Section 203 of Companies Act, 2013 is as follows:

Directors' Report (Contd.)

C. FOREIGN EXCHANGE EARNING & OUTGO

During the year under consideration, the Foreign Exchange Earnings and Expenditures were as follows:

Particulars	2024-25	2023-24
Foreign exchange earning	-	-
Foreign exchange expenditure	-	-

RISK MANAGEMENT

The Company's business activities are exposed to a variety of financial risks and the Management has the overall responsibility for establishing and governing the Company's risk management framework. Accordingly, the Management has formulated a risk management framework which helps in identifying, assessing and prioritizing the risks and followed by coordinated efforts to minimize, monitor and mitigate/control the probability and/or impact of unfortunate events. The said framework enables the Management an ongoing tracking of the evolution of risks and ensures delivery of action plans to mitigate them.

VIGIL MECHANISM

The provisions of Section 177 of the Act in relation to establishing a vigil mechanism for Directors and Employees to report genuine concerns and allegations of misconduct is not applicable to the Company.

DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013

The Company is not required to constitute an Internal Complaints Committee, as it does not fall under the purview of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

However, it is confirmed that during the year under review, there were no cases filed pursuant to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

THE DETAILS OF APPLICATION MADE OR ANY PROCEEDING PENDING UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016 (31 OF 2016) DURING THE YEAR ALONGWITH THEIR STATUS AS AT THE END OF THE FINANCIAL YEAR:

The Company has not filed any application, nor any proceeding is pending under the Insolvency and Bankruptcy Code, 2016 (31 of 2016), during the year.

THE DETAILS OF DIFFERENCE BETWEEN AMOUNT OF THE VALUATION DONE AT THE TIME OF ONE TIME SETTLEMENT AND THE VALUATION DONE WHILE TAKING LOAN FROM THE BANKS OR FINANCIAL INSTITUTIONS ALONG WITH THE REASONS THEREOF:

During the year under review, there was no instance of one-time settlement with any banks or financial institutions.

ACKNOWLEDGEMENT

Your Directors' commend the continued commitment, contribution and dedication of employees at all levels. The Directors also wish to acknowledge with thanks all other stakeholders, shareholders and regulatory authorities for their valuable sustained support and encouragement. Your Directors' also place on record their deep and sincere appreciation for the commitment and integrity shown and hard work/dedication put in by the Management and the Employees of the Company.

MR-3 SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 2025

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members,

INCREC HOLDINGS LIMITED

U67190MH2011PLC211738

Unit No. 1203, 12th floor, B Wing, The Capital, Plot No. C-70, G Block,
BKC, Mumbai-400051, Maharashtra, India

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by INCREC HOLDINGS LIMITED, having CIN: U67190MH2011PLC211738 (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our Opinion thereon.

Based on our verification of the INCREC HOLDINGS LIMITED books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in my/our opinion, the company has, during the audit period covering the financial year ended on March 31, 2025 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by INCREC HOLDINGS LIMITED for the financial year ended on March 31, 2025 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws Framed there under;
- (iv) SEBI (Merchant Bankers) Regulations, 1992
- (v) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings
- (vi) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - *Not applicable to the Company during the period under scrutiny*
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - *Not applicable to the Company during the period under scrutiny*
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - *Not applicable to the Company during the period under scrutiny*
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - *Not applicable to the Company during the period under scrutiny*
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client
 - *Not applicable to the Company during the period under scrutiny*
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - *Not applicable to the Company during the period under scrutiny*
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
 - *Not applicable to the Company during the period under scrutiny*

We have relied on the representation made by the Company and its officers for system and mechanism framed by the Company for the compliances under the following applicable Act (if applicable), Law & Regulations to the Company:

Annexure B (Contd.)

- a. Applicable Direct and Indirect Tax Laws.
- b. Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

We have also examined compliance with the applicable clauses of Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that: -

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. During the period under review Mr. GAURAV MAHESHWARI (DIN: 07639132) was appointed as an Chief Financial officer (CFO) on 16.12.2024 and as a Whole Time Director on 25.03.2024.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent generally for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that:

Following approvals were obtained by the members through special resolution during the year at the Extraordinary General Meeting held on June 11, 2024 to carry on the following businesses:

1. Alteration of Articles
2. Amendment in the Employee Stock Option Plan of the Company.

Note: This Report is to be read with our letter even date which is annexed as Annexure A and forms and integral part of this report.

To The Members of InCred Holdings Limited Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **InCred Holdings Limited** (the "Company"), which comprise the Balance Sheet as at 31 March 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, and its profit, other comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' Report including Annexures (the "report") but does not include the consolidated financial statements, standalone financial statements and our auditor's reports thereon. The report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Board of Directors for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using

Independent Auditors' Report (Contd.)

the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The standalone financial statements of the Company for the year ended 31 March 2024, were audited by another auditor who expressed an unmodified opinion on those financial statements on 02 September 2024.

Independent Auditors' Report (Contd.)

Our opinion on the standalone financial statements is not modified in respect of this matter.

Other Matter

The standalone financial statements of the Company for the year ended 31 March 2024, were audited by another auditor who expressed an unmodified opinion on those financial statements on 02 September 2024.

Our opinion on the standalone financial statements is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit on the separate financial statements, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to standalone financial statements.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has no pending litigations in its standalone financial statements as on 31 March 2025.- Refer Note 30 to the standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 37(vi) to the standalone financial statements no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the Note 37(vii) to the standalone financial statements no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the

FINANCIAL STATEMENTS

Independent Auditors' Report (Contd.)

circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
- vi. Based on our examination, which included test checks, the Company has used accounting software(s) for maintaining its books of account for the year ended 31 March 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.

Additionally audit trail has been preserved by the Company as per the statutory requirements for record retention.

- 2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure “A” To The Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls with reference to standalone financial statements of InCred Holdings Limited (the “Company”) as at 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s and Board of Directors’ Responsibilities for Internal Financial Controls

The Company’s management and Board of Directors’ are responsible for establishing and maintaining internal financial controls with reference to standalone financial statements based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to standalone financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Meaning of Internal Financial Controls with reference to standalone financial statements

A Company’s internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference

FINANCIAL STATEMENTS

Annexure “A” To The Independent Auditor’s Report (Contd.)

to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at 31 March 2025 based on the criteria for internal financial control with reference to standalone financial statements established by the Company considering the essential components of internal control stated in the Guidance Note.

Annexure “B” To The Independent Auditor’s Report

(Referred to in paragraph 2 under ‘Report on other legal and regulatory requirements’ section of our report of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. a. A The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

B The Company has not capitalized any intangible assets in the books and accordingly, the requirement to report on clause 3(i)(a)(B) of the Order is not applicable to the Company.
- b. The Property, Plant and Equipment were physically verified during the year by the Management which, in our opinion, provides for physical verification at reasonable intervals.
- c. The Company does not have any immovable property and hence reporting under clause 3(i)(c) of the order is not applicable.
- d. The Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year. Accordingly, paragraph 3(i)(d), of the Order is not applicable to the Company.
- e. No proceedings have been initiated during the year or are pending against the Company as at 31 March 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. a. The Company does not have any inventory and hence reporting under clause 3(ii)(a) of the Order is not applicable.

b. According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institution and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- iii. The Company has not granted any loans, made investments or provided guarantees or securities and hence reporting under clause 3(iii) of the Order is not applicable .
- iv. The Company has not granted any loans, made investments in or provided guarantees or securities to parties covered by section 185 of the Act and the provisions of section 186 of the Act are not applicable to the Company. Hence reporting under clause 3(iv) of the Order is not applicable.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The maintenance of cost records has not been specified for the activities of the Company by the Central Government under section 148(1) of the Companies Act, 2013.
- vii. In respect of statutory dues:
(a) Undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees’ State Insurance, Income-tax, cess and other material statutory dues applicable to the Company have been regularly deposited by it with the appropriate authorities in all cases during the year.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees’ State Insurance, Income-tax, cess and other material statutory dues in arrears as at March 31 March 2025 for a period of more than six months from the date they became payable

(b) There are no statutory dues referred in sub-clause 3(a) above which have not been deposited on account of disputes as on 31 March 2025.

FINANCIAL STATEMENTS

Annexure “B” To The Independent Auditor’s Report (Contd.)

- viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- ix. a. The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
- b. The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c. The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- d. The Company did not raise any funds during the year and hence, the requirement to report on clause 3(ix)(d) of the Order is not applicable.
- e. On an overall examination of the Standalone Financial Statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- f. The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries. Accordingly, paragraph 3(ix)(f) of the Order is not applicable.
- x. a. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b. During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. a. To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b. To the best of our knowledge, no report under sub-section (12) of section 143 of the Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c. As represented to us by the management, there were no whistle blower complaints received by the Company during the year (and upto the date of this report).
- xii. The Company is not a Nidhi Company and hence reporting under paragraph 3(xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- xiv. a. In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- b. We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with them and hence provisions of section 192 of the Act are not applicable to the Company.
- xvi. a. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

Annexure “B” To The Independent Auditor’s Report (Contd.)

- b. The Group does not have any CIC as part of the group and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred any cash losses in the financial year covered by our audit but had incurred cash losses amounting to Rs 1,770.89 lakhs in the immediately preceding financial year.
- xviii. There has been resignation of the statutory auditors of the Company during the year and there were no issues, objections or concerns raised by the outgoing auditors in their communication to us.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Financial Statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report, that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135 of the Act are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.
- xxi. According to the information and explanations given to us, and based on the CARO reports issued by the auditor of the subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, provided to us by the Management of the Company and based on the identification of matters of qualifications or adverse remarks in their CARO reports by the respective component auditors and provided to us, we report that the auditors of such companies have not reported any qualifications or adverse remarks in their CARO report except for the following:

No.	Name of the Company	CIN	Nature of relationship	Clause Number of CARO report with qualification or adverse remark
1	InCred Financial Services Limited	U67190MH1995PLC360817	Subsidiary	Clause 3(vii)(a)
2	InCred Finserv Private Limited	U72900MH2016PTC273211	Step Down Subsidiary	Clause 3(vii)(a)

Standalone Cash Flow Statement

for the year ended March 31, 2025

(INR in lakh)

Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Cash flow from operating activities		
Profit / (Loss) before tax	739.20	(1,771.24)
Adjustments to reconcile net profit to net cash generated from / (used in) operating activities		
Depreciation, amortization and impairment	0.35	0.35
Net (gain) on fair value changes	(46.43)	(257.31)
Interest Income	(90.89)	(42.48)
Finance Cost	-	5.47
Share based payment to employees	1,745.78	2,691.62
Provision for diminution on investment	(109.74)	109.74
Retirement Benefit expenses	2.23	-
Cash generated from operation before working capital changes	2,240.50	736.15
Working capital adjustments		
Decrease / (Increase) trade receivables	12.15	-
Decrease / (Increase) in other non financial assets	(17.96)	(132.47)
Decrease / (Increase) in other non financial liabilities	(718.60)	2,296.38
(Decrease) / Increase in other financial liabilities	(2,067.75)	998.07
(Decrease) / Increase in other non financial liabilities	8.08	(35.16)
(Decrease) / Increase in provisions	0.01	29.25
	(2,784.07)	3,156.07
Income taxes paid	(42.53)	97.02
Net cash (used in) / generated from operating activities	(586.10)	3,989.24
Cash flow from investing activities		
(Purchase) / Sale of property, plant and equipment	-	0.01
Investment in subsidiaries	639.61	(50,000.02)
Purchase of investments	(1,015.00)	(30,823.62)
Proceeds from sale of investments	2,845.15	30,107.77
Interest income from investing activities	-	42.48
Interest income on term deposits	90.89	-
Net cash (used in) / generated from investing activities	2,560.65	(50,673.38)
Cash flow from financing activities		
Issue of equity shares (including securities premium)	602.05	48,121.15
Repayment of borrowings (other than debt securities)	-	(1,505.44)
Net cash (used in) / generated from financing activities	602.05	46,615.71
Net increase / (decrease) in cash and cash equivalents	2,576.60	(68.43)
Cash and cash equivalents at the beginning of the year	167.93	236.36
Cash and cash equivalents at the end of the year (Refer note 2)	2,744.53	167.93

Notes to the Standalone Financial Statements

1. Material Accounting Policies and Other Explanatory Information

A. Corporate Information

InCred Holdings Limited (“Company”) (CIN: U67190MH2011PLC211738) incorporated as a private limited company on January 03, 2011 under the provisions of the Companies Act, 1956. The Company is registered with the Securities and Exchange Board of India as a ‘Category I Merchant Banker’ and the Company is engaged in providing investment advisory, investment management and finance arrangement services. The Company also acts as an Investment Manager to “KKR India Debt Opportunities Fund II” (“Fund”). The Company is converted to Public Company on July 8, 2022.

The registered office of the Company is Unit No. 1203, 12th floor, B Wing, The Capital, Plot No. C - 70, G Block, Bandra - Kurla Complex, Bandra East, Mumbai – 400051

The standalone financial statements are authorized for issue by the Company’s Board of Directors on May 13, 2025.

B. Basis of preparation

The standalone financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act.

i. Functional and presentation currency

The standalone financial statements are presented in Indian Rupees (‘INR’), which is also the Company’s functional currency. All the amounts have been rounded-off to the nearest lakhs, unless otherwise indicated

ii. Basis of measurement

The standalone financial statements have been prepared under the historical cost convention except for the following items:

- a. Certain financial assets and liabilities that are measured at fair value and
- b. Net defined benefit asset / liability – plan assets are measured at fair value less present value of defined benefit obligation

iii. Use of estimates and judgements

The preparation of standalone financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements, reported amounts of revenues and expenses during the period. Actual results may defer from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions in the accounting estimates are recognised prospectively.

Significant accounting estimates and judgements:

- i. Business model assessment
- ii. Fair value of financial instruments
- iii. Impairment of financial assets

i. Business model assessment

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective.

The Company’s business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

- a. How the performance of the business model and the financial assets held within that business model are evaluated and reported to the Company’s key management personnel.
- b. The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed.

Notes to the Standalone Financial Statements (Contd.)

- c. How managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).
- d. The expected frequency, value and timing of sales are also important aspects of the Company's assessment.
- e. The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

ii. Fair value of financial instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values.

iii. Impairment of financial assets

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances.

C. Presentation of financial statements

The standalone financial statements of the Company are presented as per Schedule III of the Act, as notified by the Ministry of Corporate Affairs ('MCA'). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7, Statement of Cash Flows. The disclosure requirements with respect to items in the Balance Sheet and Standalone Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and RBI regulations to the extent applicable.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS.

D. Material accounting policies and other explanatory information

1. Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values for financial instruments.

The Company has an established control framework with respect to the measurement of fair values. The management has the overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values.

The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair values of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- *Level 1*: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- *Level 2*: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e. derived from prices).

Notes to the Standalone Financial Statements (Contd.)

- *Level 3*: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2. Financial instruments

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital are some examples of financial instruments.

All financial instruments are at amortised cost, unless otherwise specified.

All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognises the financial instruments on settlement date.

i. Financial assets

Initial measurement

All financial assets are recognised initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss. Generally, the transaction price is treated as fair value unless proved to the contrary. On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- Fair value through other comprehensive income ('FVOCI')
- Fair value through profit and loss ('FVTPL')

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets. The Company classifies its financial assets in the following measurement categories:

Financial assets measured at amortised cost

A financial asset that meets the following two conditions is measured at amortised cost (net of any write down for impairment), unless the asset is designated at FVTPL:

- the financial asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest ('SPPI') on the principal amount outstanding.

Financial assets measured at Fair value through other comprehensive Income ('FVOCI')

A financial asset is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest ('SPPI') on the principal amount outstanding.

Notes to the Standalone Financial Statements (Contd.)

Financial assets measured at Fair Value through Profit and Loss ('FVTPL')

A financial asset which is not classified in above category is subsequently measured at FVTPL. Where assets are measured at fair value, gains and losses are recognized entirely in the Standalone Statement of Profit and Loss.

Subsequent measurement

The assets classified in the aforementioned categories are subsequently measured as follows:

Financial assets at Amortised cost

These assets are subsequently measured at amortised cost at each reporting period using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in standalone statement of profit and loss. Any gain or loss on derecognition is recognised in standalone statement of profit and loss.

Debt investments at FVOCI

These assets are subsequently measured at each reporting period at fair value. Interest income under the EIR method, foreign gains and losses and impairment are recognised in Standalone Statement of Profit and Loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to Standalone Statement of Profit and Loss.

Equity investments designated at FVOCI

These assets are subsequently measured at each reporting period at fair value. Dividends are recognised as income in standalone statement of profit and loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to standalone statement of profit and loss.

Financial assets at FVTPL

These assets are subsequently measured at each reporting period at fair value. Net gains and losses, including any interest or dividend income, are recognised in Standalone Statement of Profit and Loss.

ii. Financial liabilities

Financial liabilities are classified and measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading or it is designated as on initial recognition.

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

All financial liabilities are recognised initially at fair value and, in the case of payables, net of directly attributable and incremental transaction cost.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs profit and loss.

The Company's financial liabilities include trade payables and other financial liabilities.

iii. Derecognition

Financial assets

The Company derecognizes a financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) when the contractual rights to receive cash flows from the financial asset expires or it transfers the rights to receive to receive the contractual cash flows in a transaction in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the asset.

On de-recognition of a financial asset in its entirety, the difference between the carrying amount (measured at the date of de-recognition) and the consideration received (including any new asset obtained less any new liability assumed) shall be recognized in profit or loss.

Notes to the Standalone Financial Statements (Contd.)

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial assets subsequently measured at amortised cost are generally held for collection of contractual cashflow. The Company on looking at economic viability of certain portfolios measured at amortised cost may enter into immaterial and infrequent transaction for sale of loans which doesn't affect the business model of the Company.

Financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of Profit and Loss.

iv. Offsetting of financial instruments

A financial asset and a financial liability is offset and presented on net basis in the balance sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realise the asset and settle the liability simultaneously.

3. Share capital

Equity and preference shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognised as a deduction from equity, net of any tax effects.

4. Investment in subsidiaries

Equity investments in subsidiaries, jointly controlled entities and associates are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in such entities, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

5. Impairment of financial assets

At each reporting period, the Company assesses whether financial assets carried at amortised cost and FVOCI are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

6. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

7. Share-based payment arrangements

- a. The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model.
- b. That cost is recognised, together with a corresponding increase in share-based payment reserves in equity, over the period in which the performance and/or service conditions are fulfilled. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number of equity instruments that will ultimately vest.
- c. When the terms of an equity-settled award are modified, the minimum expense recognised is the expense had the terms not been modified, if the original terms of the award are met. An additional expense is recognised for any modification that increases the total fair value of the share-based payment transaction, or is otherwise beneficial

Notes to the Standalone Financial Statements (Contd.)

to the employee as measured at the date of modification. Where an award is cancelled by the entity or by the counterparty, any remaining element of the fair value of the award is expensed immediately through the Statement of Profit and Loss.

- d. The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

8. Income Tax

Income tax expense comprises current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income ('OCI').

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the period and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are offset only if, the Company:

- a. has a legally enforceable right to set off the recognised amounts; and
- b. intends to realise the asset or settle the liability on a net basis or simultaneously.

Deferred tax

Income tax comprises of current tax and deferred tax. Income tax is recognised based on tax rates and tax laws enacted, or substantively enacted, at the reporting date and on any adjustment to tax payable in respect of previous years. It is recognised in the Statement of Profit and Loss except to the extent that it relates to items recognised in other comprehensive income or directly in equity, in which case the tax is recognised in the same statement as the related item appears. Deferred tax is recognised for temporary differences between the accounting base of assets and liabilities in the Balance Sheet, and their tax bases. Deferred tax is calculated using the tax rates expected to apply in the periods in which the assets will be realised or the liabilities settled. The carrying amount of deferred tax assets is reviewed at each reporting date by the Company and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Deferred tax assets and deferred tax liabilities are offset basis the criteria given under Ind AS 'Income Taxes'.

9. Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

The cost of an item of property, plant and equipment comprises:

- i. its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates,
- ii. any directly attributable costs of bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by management, are recognised in Standalone Statement of Profit and Loss.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in Standalone Statement of Profit and Loss.

Notes to the Standalone Financial Statements (Contd.)

ii. Depreciation

Depreciation is provided on straight line basis as per the useful life given under Schedule II of the Companies Act, 2013, and is generally recognised in the Standalone Statement of Profit and Loss.

Depreciation on additions / (disposals) is provided on a pro-rata basis i.e., from / (upto) the date which the asset is ready for use / (disposed of).

The useful life as per Schedule II are as follows:

Asset	Useful life as per Schedule II
Office equipment	3 years
Computers and printers	3 years
Leasehold improvements	amortised over the period of lease

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimated useful life as given above best represent the period over which management expects to use these assets.

10. Intangible assets

i. Recognition and measurement

Intangible assets (computer software) are stated at cost of acquisition less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates.

ii. Subsequent expenditure

Subsequent expenditure on an intangible asset is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditures are recognised in the Statement Profit and Loss as incurred.

iii. Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful life using the straight-line method, and is included in depreciation, amortisation and impairment in the Standalone Statement of Profit and Loss.

The intangible assets are amortised over the estimated useful life of 3 years.

Amortisation methods, useful life and residual values are reviewed at each reporting date and adjusted if appropriate.

11. Impairment of non-financial assets

The carrying values of these assets at each balance sheet date are reviewed to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of these asset is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

If the carrying amount of these assets exceed the estimated recoverable amount, an impairment loss is recognised in the Standalone Statement of Profit and Loss for such excess amount.

Notes to the Standalone Financial Statements (Contd.)

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such reversal of impairment loss is recognised in the Standalone Statement of Profit and Loss, to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

12. Revenue from operations

Recognition of interest and fee income or expense:

Interest income or expense is recognised using the effective interest method.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- the gross carrying amount of the financial asset; or
- the amortised cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortised cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is recognised by applying the effective interest rate to the recoverable amount of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

Fee and commission income:

The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations.

13. Finance Cost

Finance costs include interest expense calculated using the EIR on respective financial instruments and borrowings including foreign currency borrowings measured at amortised cost, finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to interest costs. All other Borrowing costs are recognised in the Statement of profit and loss in the period in which they are incurred.

14. Employee benefits

i. Short-term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii. Contribution to provident fund and Employees' State Insurance Corporation (ESIC)

Company's contribution paid/payable during the period to provident fund and ESIC is recognised in the Statement of profit and loss.

iii. Gratuity

The Company's liability towards gratuity scheme is determined by independent actuaries, using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation. This cost is included in employee benefit expense in the Statement of profit and loss.

Notes to the Standalone Financial Statements (Contd.)

Remeasurement of defined benefit plans, comprising of actuarial gains / losses, return on plan assets excluding interest income are recognised immediately in the balance sheet with corresponding debit or credit to Other Comprehensive Income (OCI). Remeasurements are not reclassified to Statement of profit and loss in the subsequent period.

iv. **Compensated absence**

The Company does not have a policy of encashment of unavailed leaves for its employees and are not permitted to carry forward the leaves. Hence there is no liability towards compensated absence.

15. Earnings per share

The basic earnings per share ('EPS') is computed by dividing the net profit / (loss) after tax for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, net profit / (loss) after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

16. Statement of Cash flows

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

17. Segment Reporting

The Company operates in a single reportable segment i.e., investment activity. The Company operates in a single geographical segment i.e. domestic.

18. Provisions, contingent liabilities and contingent assets

a. Provisions

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The expenses relating to a provision is presented in the Standalone Statement of Profit and Loss.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows specific to the liability. The unwinding of the discount is recognised as finance cost.

b. Onerous contracts

Provisions for onerous contracts are recognized when the expected benefits to be derived from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognises any impairment loss on the assets associated with that contract.

c. Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. When there is a possible obligation of a present obligation in respect of which the likelihood of outflow of resources is remote, no disclosure is made.

The Company has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. The Company assesses its obligations arising in the normal course of business, including pending litigations, proceedings pending with tax authorities and other contracts including derivative and long term contracts periodically and ensures that appropriate treatment has been made as required under Ind AS..

Notes to the Standalone Financial Statements (Contd.)

d. Contingent assets

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognised in the period in which the change occurs.

Provisions, contingent assets, contingent liabilities and commitments are reviewed at each reporting date.

19. Exceptional items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such items is disclosed separately as exceptional items.

20. Standards issued but not yet effective upto the date of issuance of the financial statements

There are no standards that are notified and not yet effective as on date.

FINANCIAL STATEMENTS

Notes to the Standalone Financial Statements for the year ended March 31, 2025 (Contd.)

(c) Amounts recognised directly in equity

There are no temporary difference recognised directly in equity for the year ended March 31, 2025 (PY : Nil)

(d) Reconciliation of effective tax rate

(INR. in lakh)

Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Profit before tax as per Statement of profit and loss	739.20	(1,771.24)
Statutory tax rate	25.17%	25.17%
Tax using the Company's domestic tax rate	186.06	(445.82)
Tax effect of:		
Tax effect of amounts which are not deductible in calculating taxable income	453.02	2.36
Tax on temporary differences on which deferred tax is either not created or reversed due to no reasonable certainty of future profits	1.83	(526.16)
Tax adjustment for earlier years	35.37	(262.97)
Effective tax amount	676.28	(1,232.59)
Effective tax rate	91.49%	69.59%

24. EARNINGS PER SHARE

Basic and diluted EPS amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

i. Profit attributable to Equity shareholders:

(INR. in lakh)

Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Profit attributable to equity holders of the Company used in calculating basic earnings per share	62.92	(538.65)
Profit attributable to equity holders of the Company used in calculating diluted earnings per share	62.92	(538.65)

ii. Weighted average number of ordinary shares

Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Weighted average number of equity shares used as the denominator in calculating basic earnings per share (A)	64,21,79,091	60,89,83,033
Adjustments for calculation of diluted earnings per share (B)	2,62,18,943	2,49,92,452
Weighted average number of equity shares and potential equity shares used as the denominator in calculating diluted earnings per share (A+B)	66,83,98,034	63,39,75,485
Basic earnings per share	0.01	(0.09)
Diluted earnings per share	0.01	(0.08)

Notes to the Standalone Financial Statements for the year ended March 31, 2025 (Contd.)

25. FAIR VALUE MEASUREMENTS**A. Accounting classification**

Carrying amounts of financial assets and financial liabilities, including their levels in the fair value hierarchy, are presented below :

Particulars	As at March 31, 2025				As at March 31, 2024			
	FVTPL	FVOCI	Amortised Cost	Total	FVTPL	FVOCI	Amortised Cost	Total
Financial assets								
Cash and cash equivalents	-	-	2,744.53	2,744.53	-	-	167.93	167.93
Trade receivables	-	-	118.42	118.42	-	-	130.57	130.57
Investments								
- Mutual funds	-	-	-	-	-	-	-	1,809.05
- Alternative investment fund	488.14	-	-	488.14	462.80	-	-	462.80
Other financial assets	-	-	21.36	21.36	-	-	3.40	3.40
Total financial assets	488.14	-	2,884.31	3,372.45	2,271.85	-	301.90	2,573.75
Financial liabilities								
Borrowings (other than debt securities)	-	-	-	-	-	-	-	-
Other financial liabilities	-	-	270.76	270.76	-	-	2,338.51	2,338.51
Total financial liabilities	-	-	270.76	270.76	-	-	2,338.51	2,338.51

Note: Investment carried at cost amounting to INR. 2,95,594.74 lakhs (Previous year: INR. 2,93,140.63 lakhs) is carried at cost (less impairment) in accordance with Ind AS 27 and does not form part of the above.

This section explains the judgments and estimates made in determining the fair value of the financial instrument that are measured at fair value and at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath table.

Particulars	Fair value									
	As at March 31, 2025					As at March 31, 2024				
	Level 1	Level 2	Level 3	Total	Level 1	Level 2	Level 3	Total		
Financial assets										
Cash and cash equivalents	2,744.53	-	-	2,744.53	167.93	-	-	167.93		
Trade receivables	-	-	118.42	118.42	-	-	130.57	130.57		
Investments in Mutual Fund	-	-	-	-	1,809.05	-	-	1,809.05		
Alternative Investment Funds	-	-	488.14	488.14	-	-	462.80	462.80		
Other financial assets	-	-	21.36	21.36	-	-	3.40	3.40		
Total	2,744.53	-	627.92	3,372.45	1,976.98	-	596.77	2,573.75		
Financial Liabilities										
Other financial liabilities	-	-	270.76	270.76	-	-	2,338.51	2,338.51		
Total	-	-	270.76	270.76	-	-	2,338.51	2,338.51		

(INR. in lakh)

Notes to the Standalone Financial Statements for the year ended March 31, 2025 (Contd.)

(INR. in lakh)

Particulars	As at March 31, 2025		As at March 31, 2024	
	Carrying Value	Fair Value	Carrying Value	Fair Value
Financial assets				
Cash and cash equivalents	2,744.53	2,744.53	167.93	167.93
Trade receivables	118.42	118.42	130.57	130.57
Investments				
- Mutual funds	-	-	1,809.05	1,809.05
- Alternative investment fund	488.14	488.14	462.80	462.80
Other financial assets	21.36	21.36	3.40	3.40
Total	3,372.45	3,372.45	2,573.75	2,573.75
Financial liabilities				
Other financial liabilities	270.76	270.76	2,338.51	2,338.51
Total	270.76	270.76	2,338.51	2,338.51

Except for those financial instruments for which the fair value amounts are mentioned in the above table (which is different than the carrying value), the Group considers that the carrying amounts recognised in the financial statements approximate their fair values. For financial assets that are measured at fair value, the carrying amounts are equal to the fair values.

C. Measurement of fair values

The following sets out the Group's basis of establishing fair values of amortised cost financial instruments and their classification between Levels 1, 2 and 3. As certain categories of financial instruments are not actively traded, there is a significant level of management judgement involved in calculating the fair values:

Financial instruments held at amortised cost**i. Cash and bank balance:**

The fair value of cash and balances with bank is their carrying amounts

ii. Other financial assets:

The carrying amount of these financial instruments is considered to be a reasonable approximation of fair value as they are short term in nature.

iii. Borrowings:

The company has inter-corporate borrowings from its subsidiary company at fixed interest rate for operational activities and hence the carrying amount of these financial instruments is considered to be a **reasonable approximation of fair value**.

iv. Other financial liabilities:

The carrying amount of these financial instruments is considered to be a reasonable approximation of fair value as they are either short term in nature.

Financial instruments held at fair value**i. Investment in mutual fund:**

The investment in mutual funds are valued using the closing NAV in the market.

Gains or losses on transfers amongst categories

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of reporting period

Inter-level transfers

There are no transfers of financial assets and liabilities measured at fair value between Levels 1 and 2 and Level 2 and 3 during the financial years ended March 31, 2025 and March 31, 2024.

D. Fair value measurements for financial assets measured at FVOCI using significant unobservable inputs (level 3)

There are no changes in level 3 items for the year ended March 31, 2025 and March 31, 2024

FINANCIAL STATEMENTS

Notes to the Standalone Financial Statements for the year ended March 31, 2025 (Contd.)

26. FINANCIAL RISK MANAGEMENT

In the course of its business, the Company is exposed to certain financial risks namely credit risk, interest risk, market risk & liquidity risk. The Company's primary focus is to achieve better predictability of financial markets and seek to minimize potential adverse effects on its financial performance. The financial risks are managed in accordance with the Company's risk management policy which has been approved by its Board of Directors.

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

A. Credit risk

Credit Risk in simple terms is the risk of borrowers / obligors ability to honour their obligations in timely manner and the loss that may be incurred by the Company in the event of the failure of borrowers to meet their repayment obligations.

B. Liquidity risk

Liquidity Risk refers to insufficiency of funds to meet the financial obligations. Liquidity Risk Management implies maintenance of sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit lines to meet obligations when due. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and by continuously monitoring forecast and actual cash flows, and by assessing the maturity profiles of financial assets and liabilities.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of the financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the rate applicable as of reporting period ends respectively has been considered.

As at March 31, 2025

(INR. in lakh)

Particulars	Note No	Contractual cash flows					
		Carrying amount	Gross nominal inflow/ (outflow)	Less than 1 year	1-3 years	3-5 years	After 5 years
Maturities of financial liabilities							
Other financial liabilities	10	270.76	(270.76)	(96.62)	(174.14)	-	-
Total		270.76	(270.76)	(96.62)	(174.14)	-	-

As at March 31, 2024

(INR. in lakh)

Particulars	Note No	Contractual cash flows					
		Carrying amount	Gross nominal inflow/ (outflow)	Less than 1 year	1-3 years	3-5 years	After 5 years
Maturities of financial liabilities							
Other financial liabilities	10	2,338.51	(2,338.51)	(2,338.51)	-	-	-
Total		2,338.51	(2,338.51)	(2,338.51)	-	-	-

The following table details the Groups's expected maturity for its financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information is necessary in order to understand the Group's liquidity risk management as the liquidity is managed on a net asset and liability basis. Hence, maturities of the relevant assets have been considered below.

Notes to the Standalone Financial Statements for the year ended March 31, 2025 (Contd.)

26. FINANCIAL RISK MANAGEMENT (CONTINUED)

As at March 31, 2025

(INR. in lakh)

Particulars	Note No	Contractual cash flows					
		Carrying amount	Gross nominal inflow/ (outflow)	Less than 1 year	1-3 years	3-5 years	After 5 years
Maturities of financial assets

Other financial assets	5	3.40	3.40	3.40	-	-	-
Total		2,573.75	2,573.75	2,110.95	462.80	-	-

C. Market risk

Market risk or Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk through the impact of rate changes on interest-bearing liabilities and assets. The Company manages its interest rate risk by monitoring the movements in the market interest rates closely.

Exposure to interest rate risk

Company's interest rate risk arises majorly from borrowings, loans and investments. The company only has inter corporate borrowings at fixed rate and hence there is no exposure to interest rate risk.

Fair value sensitivity analysis for fixed-rate instruments

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

D. Other Price risk

The Company is exposed to price risk arising from investment in mutual funds and classified in the balance sheet at fair value through profit & loss. If the NAV of the mutual fund had been higher/lower by 1% from market price existing as at March 31, 2025, profit or loss(pre-tax) for the year ended March 31, 2025 would increase/decrease by NIL (Previous Year: 0.18 lakhs) with a corresponding increase/decrease in the Total Equity of the Company as at March 31, 2025.

E. Foreign Currency Risk

The Company is not exposed to any foreign currency risk.

Delta effect of -1% change in rate of employee turnover	0.24	0.14

Notes to the Standalone Financial Statements for the year ended March 31, 2025 (Contd.)

Qualitative disclosures

Gratuity is a defined benefit plan and group is exposed to the Following Risks:

Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision.

Salary risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Group has to manage pay-out based on pay as you go basis from own funds.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

29. SHARE-BASED PAYMENT ARRANGEMENTS**A. Description of share-based payment arrangements****i. Share option plans (equity-settled)**

The Board of Directors of InCred Holdings Limited (formerly, KKR Capital Markets Limited) (the "Holding Company") on August 26, 2022 adopted Employees Stock Incentive Plan under which share options shall be granted to eligible employees of the Holding Company and the Company from time to time ("New ESOP Scheme"). Such Scheme also covered employees of the Subsidiary Companies which were transferred pursuant to the Scheme of Arrangement referred to in Note 40 holding Employee Stock Options under the ESOP Scheme of erstwhile IFSL ("Erstwhile ESOP Scheme"). The options granted to employees under the Erstwhile ESOP scheme continue to have similar terms and conditions in respect of vesting / exercise etc. under the New ESOP Scheme. As assessed by the Company, grant of options under the New ESOP Scheme to employees of erstwhile IFSL does not form part of consideration discharged as the Subsidiary Company is assessed to be accounting acquiree as per Ind AS 103.

Consequently, the charge towards share-based payment in terms of Ind AS 102 has been recorded on a basis that such New ESOP Scheme is only a continuation of Erstwhile ESOP Scheme. The liability towards the employee ESOP cost in the books of the Subsidiary Company is compensated by way of capital contribution by Holding Company in the Company. Further, the balance outstanding in Employees Stock Option Reserve as at March 31, 2025 pertaining to erstwhile ESOP Scheme has been transferred to 'Capital contribution from parent' pursuant to such change.

The Company has established share option plans that entitle the employees of the Company and its subsidiary companies to purchase the shares of the Company. Under these plans, holders of the vested options are entitled to purchase shares at the exercise price of the shares determined at the respective date of grant of options.

The key terms and conditions related to the vesting of grants under these plans are continued employment with the company from the date of grant of option till the date of vesting (25% each year); all options are to be settled by the delivery of shares.

A. Measurement of fair values**Equity-settled share-based payment arrangements**

The fair value of the employee share options has been measured using Black-Scholes Option pricing model. The fair value of the options and the inputs used in the measurement of the grant-date fair values of the equity-settled share based payment options granted during the year are as follows:

THE MODEL INPUTS FOR OPTIONS GRANTED DURING

Particulars / Grant date	Year ended March 31, 2025	Year ended March 31, 2024
Fair value as on grant date (weighted average)	68.48 to 110.70	26.68 to 99.78
Share prices during the year , on grant dates	134.99 to 136.07	67.02 to 134.98
Exercise price	40 to 90	40 to 60
Expected volatility (weighted average volatility)	40%	40%
Rate of Employee Turnover	18%	20%
Expected life (expected weighted average life)	4.12 years	4.61 years
Risk- free interest rate (based on government bonds)	6.77% to 7.19%	7.22% to 7.55%
Method used to determine expected volatility	The expected volatility is based on price volatility of listed companies in same industry.

FINANCIAL STATEMENTS

Notes to the Standalone Financial Statements for the year ended March 31, 2025 (Contd.)

32. FOREIGN CURRENCY TRANSACTIONS

The company does not have any foreign currency transactions during the year (PY: Nil).

33. CORPORATE SOCIAL RESPONSIBILITY

The Ministry of Corporate Affairs notified section 135 of the Companies Act 2013 along with the Companies (Corporate Social Responsibility Policy) Rules, 2014. The provisions of Corporate social responsibility as per Companies Act, 2013 is not applicable to the Company.

34. MICRO, SMALL AND MEDIUM ENTERPRISES DEVELOPMENT

The Ministry of Micro, Small and Medium Enterprises has issued an Office Memorandum dated 26 August 2008 which recommends that the Micro and Small Enterprises should mention in their correspondence with its customers the Entrepreneurs Memorandum Number as allocated after filing of the Memorandum. Based on the information available with the management, as at March 31, 2025, no dues were outstanding to micro and small enterprises as defined under the Micro, Small and Medium Enterprises Development Act, 2006. Further, the Company has not received any claim for interest from any supplier under the said Act till March 31, 2025.

Particulars	(INR. in lakh)	
	As at March 31, 2025	As at March 31, 2024
(i) Principal amount remaining unpaid	-	-
(ii) Interest due thereon remaining unpaid	-	-
(iii) Interest paid by the Company in terms of Section 16 of MSMED Act, 2006, along with the amount of the payment made to the suppliers and service providers beyond the appointed day during the year	-	-
(iv) Interest due and payable for the period of delay in making payment (which has been paid but beyond the appointed day during the period) but without adding the interest specified under MSMED Act, 2006	-	-
(v) Amount of interest accrued and remaining unpaid at the end of the year	-	-
(vi) Further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act, 2006	-	-

35. COMPOSITE SCHEME OF ARRANGEMENT:

A Composite Scheme of Arrangement (the 'Scheme') with KKR Capital Markets India Private Limited, Bee Finance Limited ("BFL"), InCred Prime Finance Limited (formerly known as "InCred Financial Services Limited and the Company) was approved by National Company Law Tribunal (NCLT) on May 6, 2022.

Under the Scheme, the identified NBFC business of InCred Prime Finance Limited (formerly, InCred Financial Services Limited) ('erstwhile IFSL') was demerged with InCred Financial Services Limited (formerly, KKR India Financial Services Limited) ('new IFSL').

The shareholders of erstwhile IFSL have received Equity Shares of InCred Holdings Limited (formerly known as "KKR Capital Markets Limited"), being the Holding Company, as a consideration for demerger of identified NBFC business. The same is shown as investment in subsidiaries.

As per Ind AS 103, the difference between legal capital of erstwhile IFSL (including purchase consideration determined above as per Ind AS 103) and new IFSL along with capital contribution from parent has been recorded as 'Investment in subsidiaries'.

Notes to the Standalone Financial Statements for the year ended March 31, 2025 (Contd.)

- (xi) The Company has not been declared as wilful defaulter by any bank or financial institution or any other lender.
- (xii) The Company has not revalued any property plant and equipment and intangible assets.

FINANCIAL STATEMENTS

Notes to the Standalone Financial Statements for the year ended March 31, 2025 (Contd.)

38. RATIO ANALYSIS AND ITS ELEMENTS

Ratio	Numerator	Denominator	As at March 31, 2025	As at March 31, 2024	% change	Reason for variance (if above 25%)
Current Ratio	Current Assets	Current Liabilities	19.26	1.50	1187.40%	Increase is due to a significant reduction in current liabilities and a strong increase in liquid assets like cash and investments, indicating improved short-term financial health.
Debt-Equity Ratio	Borrowings	Shareholder's Equity	NA	NA	NA	Current year Company did not have any borrowings outstanding
Debt Service Coverage Ratio	NA	NA	NA	NA	NA	
Return on Equity Ratio	Net Profits after taxes	Shareholder's Equity	0.02%	-0.18%	-111.47%	During the current year, return on equity improved significantly due to a sharp reduction in losses.
Inventory Turnover Ratio	NA	NA	NA	NA	NA	
Trade Receivable Turnover Ratio	NA	NA	NA	NA	NA	
Trade Payable Turnover Ratio	NA	NA	NA	NA	NA	
Net Capital Turnover Ratio	NA	NA	NA	NA	NA	
Net Profit Ratio	Net Profit	Total turnover	5.35%	-118.98%	-104.50%	During the current year, the net profit ratio improved, primarily due to a significant reduction in exceptional and impairment expenses.
Return on Capital Employed	Earnings before interest and taxes (EBIT)	Capital Employed = Tangible Net Worth + Total Debt	0.24%	-0.59%	-141.21%	During the current year, the capital employed ratio improved which is driven by lower losses and relatively stable equity levels.
Return on Investment	Interest from investments	Investment	4.56%	13.20%	-65.46%	During the current year, the return on investment declined from previous year due to lower fair value gains and a shift from mutual fund investments to low-yield fixed deposits.

Notes to the Standalone Financial Statements for the year ended March 31, 2025 (Contd.)

39. REFUND OF MANAGEMENT FEES AND EXPENSES IN RELATION TO FUND

The Company acts as the investment manager to KKR India Debt Opportunities Fund II (the "Fund"), a Category II alternative investment fund, registered as such with the Securities and Exchange Board of India.

In light of the performance of the Fund to date and the anticipated liquidation of the last investments of the Fund over the next few months, the Company considers it appropriate to refund all investment fees charged by the Company (in its capacity as investment manager) to the Fund and to bear all expenses incurred by the Fund in connection with the investments by the Fund.

The Company (The Investment Manager) and Fund have mutually agreed for such reimbursement on a post facto basis and such commercial reimbursement is not getting triggered due to any pre agreed contractual clause.

40. Previous year figures are regrouped/reclassified, wherever necessary, to correspond with the current year's classification / disclosure.
41. There have been no significant events after the reporting date that require disclosure in these financial statements.
42. Previous year figures have been audited by another firm of chartered accountants.

Independent Auditors' Report

To The Members of InCred Holdings Limited Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **InCred Holdings Limited** (the "Parent") and its subsidiaries, (the Parent and its subsidiaries together referred to as the "Group") which comprise the Consolidated Balance Sheet as at 31 March 2025, and the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2025, and their consolidated profit, their consolidated Other Comprehensive Income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Information Other than the Financial Statements and Auditors' Report Thereon

The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report including Annexures (the "report"), but does not include the consolidated financial statements, standalone financial statements and our Auditors' report thereon. The report is expected to be made available to us after the date of this Auditors' report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditors' responsibilities Relating to Other Information'.

Responsibilities of Management and Board of Directors for the Consolidated Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including Other Comprehensive Income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. The Board of Directors of the respective companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give

Independent Auditors' Report (Contd.)

a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the Management and Board of Directors of the respective companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the respective companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditors' Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance of the Parent with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Independent Auditors' Report (Contd.)

Other Matters

- We did not audit the financial statements of two subsidiaries whose financial statements reflect total assets of Rs. 5.46 lakh as at 31 March 2025, total revenues of Rs. 15.51 lakh and net cash outflows amounting to Rs 2.31 lakh for the period ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the report of the other auditors.\

Our opinion on the consolidated financial statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditor. \

- The consolidated financial statements of the Parent for the year ended 31 March 2024, were audited by another auditor who expressed an unmodified opinion on those statements on 02 September 2024. Our opinion on the consolidated financial statements is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the report other auditor on the separate financial statements of the subsidiaries referred to in the Other Matters section above we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law maintained by the Group, including relevant records relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Ind AS **Error! Bookmark not defined.** specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors of the Parent Company and taken on record by the Board of Directors of the Parent and the reports of the statutory auditors of subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India, is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to consolidated financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Parent and subsidiary companies. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls with reference to consolidated financial statements of those companies.
 - g. With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the Auditors' reports of subsidiary companies, the remuneration paid by the Parent and such subsidiary companies to their respective directors during the year is in accordance with the provisions of section 197 of the Act.
 - h. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group as at 31 March 2025 - Refer Note 39 to the consolidated financial statements;
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts - Refer Note 4 to the consolidated financial statements;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Parent and its subsidiary companies.
 - iv. (a) The respective management of the Parent and its subsidiaries whose financial statements have been audited under the Act, have represented to us and to the other auditors of such subsidiaries that to the best of their knowledge and belief, other than as disclosed in the note 44(vi) to the consolidated financial

Independent Auditors' Report (Contd.)

statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent Company or any of such subsidiaries, to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The respective managements of the Parent and its subsidiaries, which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us and to the other auditors of such subsidiaries that to the best of their knowledge and belief, other than as disclosed in the note 44(vii) to the consolidated financial statements, no funds have been received by the Parent or any of such subsidiaries from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Parent or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiaries, nothing has come to our or other Auditors' notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Parent Company and its subsidiaries, whose financial statements have been audited under the Act, have not declared or paid any dividend during the year and have not proposed final dividend for the year.
- vi. Based on our examination which included test checks and that performed by the respective auditor of the subsidiaries and based on the other auditor report of its subsidiary company whose financial statements have been audited under the Act, the Parent and its subsidiary companies have used an accounting software for maintaining their respective books of account for the year ended 31 March 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we and other auditor, whose reports have been furnished to us by the Management of the Parent Company, have not come across any instance of the audit trail feature being tampered with.

The audit trail has been preserved by the Company and above referred subsidiaries as per the statutory requirements for record retention.

2. According to the information and explanations given to us, and based on the CARO reports issued by the auditors of the subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, provided to us by the Management of the Company and based on the identification of matters of qualifications or adverse remarks in their CARO reports by the respective component auditors and provided to us, we report that the auditors of such companies have not reported any qualifications or adverse remarks in their CARO report except for the following:

No.	Name of the Company	CIN	Nature of relationship	Clause Number of CARO report with qualification or adverse remark

Annexure “A” To The Independent Auditors’ Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as at and for the year ended March 31, 2025, we have audited the internal financial controls with reference to consolidated financial statements of **InCred Holdings Limited** (hereinafter referred to as the “Parent”) and its subsidiary companies, which includes internal financial controls with reference to consolidated financial statements of its subsidiaries, as of that date.

Management’s and Board of Directors’ Responsibilities for Internal Financial Controls

The Board of Directors of the Parent, its respective subsidiary companies which are incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the internal control with reference to consolidated financial statements criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Parent, its subsidiary companies, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Parent, its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A company’s internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Annexure “A” To The Independent Auditors’ Report (Contd.)

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors referred to in the Other Matters paragraph below, the Parent, its subsidiary companies, which are incorporated in India, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at 31 March 2025, based on the criteria for internal financial control with reference to consolidated financial statements established by the respective companies considering the essential components of internal control stated in the Guidance Note.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to one subsidiary, is based solely on the corresponding report of the auditors of such company incorporated in India.

Our opinion is not modified in respect of the above matter.

Notes to the Consolidated Financial Statements

1. Material Accounting Policies and Other Explanatory Information

A. Corporate Information

InCred Holdings Limited (the 'Parent') (CIN: U67190MH2011PLC211738) incorporated as a private limited company in India on January 03, 2011, under the provisions of the Companies Act, 1956. The Parent together with its subsidiaries (hereinafter collectively referred to as the 'Group') has a diversified lending portfolio across retail, SME and commercial customers with a significant presence in urban and rural India. The Parent is converted to public company on July 08, 2022.

The Parent is registered with the Securities and Exchange Board of India as a 'Category I Merchant Banker' and the Company is engaged in providing investment advisory, investment management and finance arrangement services.

The registered office of the Group is Unit No. 1203, 12th floor, B Wing, The Capital, Plot No. C - 70, G Block, Bandra - Kurla Complex, Bandra East, Mumbai – 400051.

The consolidated financial statements are authorized for issue by the Parent's Board of Directors on May 13, 2025.

B. Basis of preparation

The consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS 34) notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act. The Group uses accrual basis of accounting except as explained in Note D15.

i. Functional and presentation currency

The consolidated financial statements are presented in Indian Rupees ('INR'), which is also the Group's functional currency. All the amounts have been rounded-off to the nearest lakhs, unless otherwise indicated.

ii. Basis of measurement

The consolidated financial statements have been prepared under the historical cost convention except for the following items:

- a. Certain financial assets and liabilities that are measured at fair value and
- b. Net defined benefit asset / liability – plan assets are measured at fair value less present value of defined benefit obligation

iii. Use of estimates and judgements

The preparation of consolidated financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements, reported amounts of revenues and expenses during the period. Actual results may defer from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions in the accounting estimates are recognised prospectively.

Significant accounting estimates and judgements:

- a. Business model assessment
- b. Fair value of financial instruments
- c. Impairment of financial assets

a. Business model assessment

The Group determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective.

The Group's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors such as:

Notes to the Consolidated Financial Statements (Contd.)

- a. How the performance of the business model and the financial assets held within that business model are evaluated and reported to the key management personnel.
- b. The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed.
- c. How managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).
- d. The expected frequency, value and timing of sales are also important aspects of the Group's assessment.
- e. The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realised in a way that is different from the Group's original expectations, the Group does not change the classification of the remaining financial assets held in that business model but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

b. Fair value of financial instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values.

c. Impairment of financial assets

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances.

The Group's expected credit loss ("ECL") calculations are outputs of complex models with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL models that are considered accounting judgements and estimates include:

- a. The Group's criteria for assessing if there has been a significant increase in credit risk and so allowances for financial assets should be measured on a lifetime expected credit loss basis.
- b. Development of ECL models, including the various formulae and the choice of inputs.
- c. Determination of associations between macroeconomic scenarios and economic inputs, such as gross domestic products, lending interest rates and collateral values, and the effect on probability of default ("PD"), exposure at default ("EAD") and loss given default ("LGD").
- d. Selection of forward-looking macroeconomic scenarios and their probability weightings, to derive the economic inputs into ECL models.

iv. Basis of consolidation

a. Subsidiaries

Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are consolidated from the date on which the control is transferred to the Group. They are deconsolidated from the date the control ceases.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between the Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed wherever necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interest in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

Notes to the Consolidated Financial Statements (Contd.)

b. Associates

Associates are all entities over which the Group has significant influence but not control or joint control. This is generally the case where the Group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting, after initially being recognized at cost.

• Equity method

Under equity method of accounting, the investments are initially recognized at cost and adjusted thereafter to recognize the Group's share of the post-acquisition profits or losses of the investee in profit and loss, and the Group's share of other comprehensive income of the investee and in other comprehensive income. Dividends received or receivable from associates are recognized as a reduction in the carrying amount of investment.

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognize further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the Group and its associates are eliminated to the extent the Group's interest in these entities. Unrealised losses are eliminated unless the transaction provides evidence of an impairment of asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group.

c. Change in ownership interests

The Group considers transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interest in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognized within equity.

When the Group ceases to consolidate or equity account for an investment because of loss of control, any retained interest in the entity is remeasured to its fair value with the change in carrying amount recognized in profit or loss. The fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognized in the other comprehensive income are reclassified to profit or loss.

If the ownership interest in an associate is reduced but significant influence is retained, only proportionate share of the amounts previously recognized in other comprehensive income are reclassified to profit or loss where appropriate.

d. Business Combination

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred for the acquisition of a subsidiary comprises of the:

- Fair values of assets transferred
- Liabilities incurred to the former owners of the acquired business
- Equity interests issued by the Group and
- Fair value of any assets and liabilities resulting from a contingent consideration arrangement.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at acquisition date. The Group recognizes any non-controlling interests in the acquired entity on acquisition-by-acquisition basis either at fair value or by non-controlling interest's proportionate share of the acquired entity's net identifiable assets.

The excess of:

- Consideration transferred
- Any amount of non-controlling interest in the acquired entity and

Notes to the Consolidated Financial Statements (Contd.)

- Acquisition date fair value of the previous entity interest in the acquired entity

Over the fair value of identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of identifiable assets, the difference is recognized in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reason for carrying the business combination as a bargain purchase. In other cases, bargain purchase gain are recognized directly in equity as capital reserve.

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquire is remeasured to fair value at acquisition date. Any gains or losses arising from such remeasurement are recognized in profit or loss or other comprehensive income, as appropriate.

C. Presentation of financial statements

The consolidated financial statements of the Group are presented as per Division III of Schedule III, as amended, of the Companies Act, 2013 applicable to NBFCs, as notified by the Ministry of Corporate Affairs ('MCA'). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7, Statement of Cash Flows. The disclosure requirements with respect to items in the Balance Sheet and Consolidated Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and RBI regulations to the extent applicable.

The Group generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Group offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS.

D. Material accounting policies and other explanatory information

1. Measurement of fair values

The Group's accounting policies and disclosures require the measurement of fair values for financial instruments.

The Group has an established control framework with respect to the measurement of fair values. The management has the overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values.

The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair values of a financial asset or a financial liability, the Group uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- *Level 1:* quoted prices (unadjusted) in active markets for identical assets or liabilities.
- *Level 2:* inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e. derived from prices).
- *Level 3:* inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of a financial asset or a financial liability, the Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2. Financial instruments

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability

Notes to the Consolidated Financial Statements (Contd.)

or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital are some examples of financial instruments.

All financial instruments are at amortised cost, unless otherwise specified.

All the financial instruments are recognised on the date when the Group becomes party to the contractual provisions of the financial instruments. For tradable securities, the Group recognises the financial instruments on settlement date.

i. Financial assets

Initial measurement

All financial assets are recognised initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss. Generally, the transaction price is treated as fair value unless proved to the contrary.

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- Fair value through other comprehensive income ('FVOCI')
- Fair value through profit and loss ('FVTPL')

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Group changes its business model for managing financial assets. The Group classifies its financial assets in the following measurement categories:

Financial assets measured at amortised cost

A financial asset that meets the following two conditions is measured at amortised cost (net of any write down for impairment), unless the asset is designated at FVTPL:

- i. the financial asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- ii. the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest ('SPPI') on the principal amount outstanding.

Financial assets measured at Fair value through other comprehensive Income ('FVOCI')

A financial asset that meets the following two conditions is measured at amortised cost (net of any write down for impairment), unless the asset is designated at FVTPL:

- i. the financial asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- ii. the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest ('SPPI') on the principal amount outstanding.

Financial assets measured at Fair value through other comprehensive Income ('FVOCI')

A financial asset is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- i. the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- ii. the contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest ('SPPI') on the principal amount outstanding.

Financial assets measured at Fair Value through Profit and Loss ('FVTPL')

A financial asset which is not classified in above category is subsequently measured at FVTPL. Where assets are

Notes to the Consolidated Financial Statements (Contd.)

measured at fair value, gains and losses are recognized entirely in the Consolidated Statement of Profit and Loss.

Subsequent measurement

The assets classified in the aforementioned categories are subsequently measured as follows:

Financial assets at Amortised cost

These assets are subsequently measured at amortised cost at each reporting period using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in consolidated statement of profit and loss. Any gain or loss on derecognition is recognised in consolidated statement of profit and loss .

Debt investments at FVOCI

These assets are subsequently measured at each reporting period at fair value. Interest income under the EIR method, foreign gains and losses and impairment are recognised in Consolidated Statement of Profit and Loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to Consolidated Statement of Profit and Loss.

Equity investments designated at FVOCI

These assets are subsequently measured at each reporting period at fair value. Dividends are recognised as income in consolidated statement of profit and loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to consolidated statement of profit and loss.

Financial assets at FVTPL

These assets are subsequently measured at each reporting period at fair value. Net gains and losses, including any interest or dividend income, are recognised in Consolidated Statement of Profit and Loss.

ii. Financial liabilities

Financial liabilities are classified and measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading or it is designated as on initial recognition.

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

All financial liabilities are recognised initially at fair value and, in the case of payables, net of directly attributable and incremental transaction cost.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs profit and loss.

iii. Derecognition

Financial assets

The Group derecognizes a financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) when the contractual rights to receive cash flows from the financial asset expires or it transfers the rights to receive to receive the contractual cash flows in a transaction in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the asset.

The Group sells, assigns (including Co-lending transaction) its loans to counter-parties wherein the risk and reward of the asset is transferred for the entire/substantial portion of the Loan. As per Ind AS 109, Financial assets are derecognized on the date of assignment. Any right on interest on sold portion of asset is recognized as a financial asset at fair value, basis the scheduled cash flows on execution of the transaction estimated for prepayments and defaults. Estimated costs to be incurred for servicing the de-recognised portion is recorded as servicing liability at fair value.

On de-recognition of a financial asset in its entirety, the difference between the carrying amount (measured at the date of de-recognition) and the consideration received (including any new asset obtained less any new liability

Notes to the Consolidated Financial Statements (Contd.)

assumed) shall be recognized in profit or loss.

If the Group enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial assets subsequently measured at amortised cost are generally held for collection of contractual cashflow. The group on looking at economic viability of certain portfolios measured at amortised cost may enter into immaterial and infrequent transaction for sale of loans which doesn't affect the business model of the Group.

Financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of Profit and Loss.

iv. Offsetting of financial instruments

A financial asset and a financial liability is offset and presented on net basis in the balance sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realise the asset and settle the liability simultaneously.

v. Derivatives recorded at fair value through profit and loss

A derivative is a financial instrument or other contract with all three of the following characteristics:

- Its value changes in response to the change in a specified interest rate, financial instrument price, commodity price, foreign exchange rate, index of prices or rates, credit rating or credit index, or other variable, provided that, in the case of a non-financial variable, it is not specific to a party to the contract (i.e., the 'underlying').
- It requires no initial net investment or an initial net investment that is smaller than would be required for other types of contracts expected to have a similar response to changes in market factors.
- It is settled at a future date.

The Group enters into derivative transactions with various counterparties to hedge its foreign currency risks, interest rate risks and equity price risks, respectively. These include cross-currency swaps, forward foreign exchange contracts, futures and options on equities.

Derivatives are recorded at fair value and carried as assets when their fair value is positive and as liabilities when their fair value is negative. Changes in the fair value of derivatives are included in net gain on fair value changes unless hedge accounting is applied.

vi. Embedded derivatives

An embedded derivative is a component of a hybrid instrument that also includes a non-derivative host contract with the effect that some of the cash flows of the combined instrument vary in a way similar to a stand-alone derivative. An embedded derivative causes some or all of the cash flows that otherwise would be required by the contract to be modified according to a specified interest rate, financial instrument price, commodity price, foreign exchange rate, index of prices or rates, credit rating or credit index, or other variable, provided that, in the case of a non-financial variable, it is not specific to a party to the contract. A derivative that is attached to a financial instrument, but is contractually transferable independently of that instrument, or has a different counterparty from that instrument, is not an embedded derivative, but a separate financial instrument.

If the hybrid contract contains a host that is a financial asset / financial liability within the scope of Ind AS 109, the Group does not separate embedded derivatives. Rather, it applies the classification requirements contained in Ind AS 109 to the entire hybrid contract.

Derivatives embedded in all other host contracts are accounted for as separate derivatives and recorded at fair

Notes to the Consolidated Financial Statements (Contd.)

value if their economic characteristics and risks are not closely related to those of the host contracts and the host contracts are not held for trading or designated at fair value through profit or loss. These embedded derivatives are measured at fair value with changes in fair value recognised in profit or loss, unless designated as effective hedging instruments.

3. Share capital

Equity and preference shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognised as a deduction from equity, net of any tax effects.

4. Business Combination

Business combinations of entities under common control are accounted using the “pooling of interests” method and assets and liabilities are reflected at the predecessor carrying values and the only adjustments that are made are to harmonise accounting policies. The figures for the previous periods are restated as if the business combination had occurred at the beginning of the preceding period irrespective of the actual date of the combination.

5. Impairment of financial assets

Overview of the Expected Credit Losses ('ECL') principles

- The Group records allowance for expected credit losses for all loans, other debt financial assets not held at FVTPL, together with financial guarantee contracts, in this section all referred to as 'financial instruments'. Equity instruments are not subject to impairment under Ind AS 109.
- The ECL allowance is based on the credit losses expected to arise over the life of the asset (the lifetime expected credit loss), unless there has been no significant increase in credit risk since origination, in which case, the allowance is based on the 12 months' expected credit loss)
- Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is the portion of Lifetime ECL that represent the ECLs that result from default events on a financial instrument that are possible within the 12 months after the reporting date.

Both Lifetime ECLs and 12-month ECLs are calculated on either an individual basis or a collective basis, depending on the nature of the underlying portfolio of financial instruments. The Group has established a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition, by considering the change in the risk of default occurring over the remaining life of the financial instrument. The Group does the assessment of significant increase in credit risk at a borrower level. Based on the above, the Group categorises its loans into Stage 1, Stage 2 and Stage 3 as described below:

Stage 1

All exposures where there has not been a significant increase in credit risk since initial recognition or that has low credit risk at the reporting date and that are not credit impaired upon origination are classified under this stage. The Group classifies all standard advances and advances upto 30 days default under this category. 12'month ECL is recognized on stage 1 exposures.

Stage 2

All exposures where there has been a significant increase in credit risk since initial recognition but are not credit impaired are classified under this stage. 30 Days Past Due is considered as significant increase in credit risk. Lifetime ECL is recognized for exposures with significant increase in credit risk.

Stage 3

All exposures assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred are classified in this stage.

W.e.f October 1, 2022, a financial instrument is considered as Stage 3 if the asset crosses 90 days pass due and remains in overdue category. This is aligned to the definition of default for loan assets stipulated in RBI circular dated November 12, 2021 – “Prudential Norms on Income Recognition, Asset classification and Provisioning pertaining to Advances – Clarifications” (the “RBI circular”). For exposures that have become credit impaired, a lifetime ECL is recognized. Stage 3 exposures represent Non-Performing Assets (NPA).

Notes to the Consolidated Financial Statements (Contd.)

Credit-impaired financial assets:

At each reporting period, the Group assesses whether financial assets carried at amortised cost and FVOCI are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- a) Significant financial difficulty of the borrower or issuer;
- b) A breach of contract such as a default or past due event;
- c) The restructuring of a loan or advance by the Group on terms that the Group would not consider otherwise;
- d) It is becoming probable that the borrower will enter bankruptcy or other financial reorganisation; or
- e) The disappearance of an active market for a security because of financial difficulties.

The mechanics of ECL:

The Group calculates ECLs based on probability-weighted scenarios to measure the expected cash shortfalls, discounted at an approximation to the EIR. A cash shortfall is the difference between the cash flows that are due to the Group in accordance with the contract and the cash flows that the Group expects to receive.

The mechanics of the ECL calculations are outlined below and the key elements are, as follows:

Probability of Default (PD) - The Probability of Default is an estimate of the likelihood of default over a given time horizon. A default may only happen at a certain time over the assessed period, if the facility has not been previously derecognised and is still in the portfolio.

While estimating the PD, the Group reviews macro-economic developments occurring in the economy and market it operates in. On annual basis, the Group analyses if there is any relationship between key economic trends like GDP, unemployment rates, private consumption rate, Gross national saving/investment, real wholesale & retail trade and services with the estimate of PD. Typically, these macro-economic scenarios span a base case, plus an upside and downside scenario.

The ECL model allows for multiple macro-economic scenarios to be reflected in a probabilistic manner. The weights are reviewed on annual basis.

Exposure at Default (EAD) - The Exposure at Default is an estimate of the exposure at a future default date.

Loss Given Default (LGD) - The Loss Given Default is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, including from the realisation of any collateral. It is usually expressed as a percentage of the EAD. For products where empirical data is available LGD is determined based on historical recoveries.

The Group may also make additional impairment allowance based on its assessment of risk profile and create safeguard from potential future events.

Write-offs

The Group writes off Retail secured and unsecured loans which have a days past due (DPD) for more than 18 months and 15 months respectively. However, Small and Medium Enterprises (SME) Secured and Unsecured Loans, are written off on a case-to-case basis, based on the probability of recoverability. Any subsequent recoveries against such loans are credited to the statement of profit and loss.

6. Hedge accounting

The Group makes use of derivative instruments to manage exposures to interest rate risk and foreign currency risk. In order to manage particular risks, the Group applies hedge accounting for transactions that meet specified criteria.

At the inception of a hedge relationship, the Group formally designates and documents the hedge relationship to which the Group wishes to apply hedge accounting and the risk management objective and strategy for undertaking

Notes to the Consolidated Financial Statements (Contd.)

the hedge. The documentation includes the Group's risk management objective and strategy for undertaking hedge, the hedging/economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the Group would assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in cash flows and are assessed on an on-going basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

During the year, hedges that meet the criteria for hedge accounting and qualify as cash flow hedges are accounted as follows:

Cash flow hedge

A cash flow hedge is a hedge of the exposure to variability in cash flows that is attributable to a particular risk associated with a recognised asset or liability and could affect profit or loss. For designated and qualifying cash flow hedges, the effective portion of the cumulative gain or loss on the hedging instrument is initially recognised directly in OCI within equity (cash flow hedge reserve). The ineffective portion of the gain or loss on the hedging instrument is recognised immediately as finance cost in the Statement of Profit and Loss. When the hedged cash flow affects the Statement of Profit and Loss, the effective portion of the gain or loss on the hedging instrument is recorded in the corresponding income or expense line of the Statement of Profit and Loss.

When a hedging instrument expires, is sold, terminated, exercised, or when a hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss that has been recognised in OCI at that time remains in OCI and is recognised when the hedged forecast transaction is ultimately recognised in the statement of profit and loss.

When a forecast transaction is no longer expected to occur, the cumulative gain or loss that was reported in OCI is immediately transferred to the Statement of Profit and Loss.

7. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

8. Share-based payment arrangements

- a. The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model.
- b. That cost is recognised, together with a corresponding increase in share-based payment reserves in equity, over the period in which the performance and/or service conditions are fulfilled. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Group's best estimate of the number of equity instruments that will ultimately vest.
- c. When the terms of an equity-settled award are modified, the minimum expense recognised is the expense had the terms not been modified, if the original terms of the award are met. An additional expense is recognised for any modification that increases the total fair value of the share-based payment transaction, or is otherwise beneficial to the employee as measured at the date of modification. Where an award is cancelled by the entity or by the counterparty, any remaining element of the fair value of the award is expensed immediately through the Consolidated Statement of Profit and Loss.
- d. The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

9. Lease Accounting

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Group is reasonably certain to exercise that option; and periods covered by an

Notes to the Consolidated Financial Statements (Contd.)

option to terminate the lease if the Group is reasonably certain not to exercise that option. The Group revises the lease term if there is a change in the non-cancellable period of a lease

At the date of commencement of the lease, the Group recognizes right – of – use (“ROU”) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the incremental borrowing rates.

10. Income Tax

Income tax expense comprises current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income ('OCI').

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the period and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are offset only if, the Group:

- a. has a legally enforceable right to set off the recognised amounts; and
- b. intends to realise the asset or settle the liability on a net basis or simultaneously.

Deferred tax

Income tax comprises of current tax and deferred tax. Income tax is recognised based on tax rates and tax laws enacted, or substantively enacted, at the reporting date and on any adjustment to tax payable in respect of previous years. It is recognised in the Statement of Profit and Loss except to the extent that it relates to items recognised in other comprehensive income or directly in equity, in which case the tax is recognised in the same statement as the related item appears. Deferred tax is recognised for temporary differences between the accounting base of assets and liabilities in the Balance Sheet, and their tax bases. Deferred tax is calculated using the tax rates expected to apply in the periods in which the assets will be realised or the liabilities settled. The carrying amount of deferred tax assets is reviewed at each reporting date by the Group and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Deferred tax assets and deferred tax liabilities are offset basis the criteria given under Ind AS 'Income Taxes'.

11. Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

The cost of an item of property, plant and equipment comprises:

- i. (i) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates,
- ii. (ii) any directly attributable costs of bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Income and expenses related to the incidental operations, not necessary to bring the item to the location and

Notes to the Consolidated Financial Statements (Contd.)

condition necessary for it to be capable of operating in the manner intended by management, are recognised in Consolidated Statement of Profit and Loss.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in Consolidated Statement of Profit and Loss.

ii. Depreciation

Depreciation is provided on straight line basis as per the useful life given under Schedule II of the Companies Act, 2013, and is generally recognised in the Consolidated Statement of Profit and Loss.

Depreciation on additions / (disposals) is provided on a pro-rata basis i.e., from / (upto) the date which the asset is ready for use / (disposed of).

The useful life as per Schedule II are as follows:

Asset	Useful life as per Schedule II
Buildings	60 years
Furniture & fixtures	10 years
Office equipment	5 years
Computers and printers	3 years
Vehicles	8 years

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimated useful life as given above best represent the period over which management expects to use these assets.

12. Intangible assets

i. Recognition and measurement

Intangible assets (computer software) are stated at cost of acquisition less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates.

ii. Subsequent expenditure

Subsequent expenditure on an intangible asset is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditures are recognised in the Statement Profit and Loss as incurred.

iii. Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful life using the straight-line method, and is included in depreciation, amortisation and impairment in the Consolidated Statement of Profit and Loss.

The intangible assets are amortised over the estimated useful life of 3 years.

Amortisation methods, useful life and residual values are reviewed at each reporting date and adjusted if appropriate.

iv. Goodwill

Goodwill on acquisition of subsidiaries is included in intangible assets. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired,

Notes to the Consolidated Financial Statements (Contd.)

an is carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to the entity sold.

Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units or Groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose. The units or Groups of units are identified at the lowest level at which goodwill is monitored for internal management purposes, which in our case are the operating segments.

13. Impairment of non-financial assets

Goodwill and intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired.

The carrying values of these assets at each balance sheet date are reviewed to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of these asset is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment loss is recognised in the Consolidated Statement of Profit and Loss for such excess amount.

In respect of assets (except goodwill) for which impairment loss has been recognised in prior periods, the Group reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such reversal of impairment loss is recognised in the Consolidated Statement of Profit and Loss, to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

14. Revenue from operations

Recognition of interest and fee income or expense

Dividend income is recognised on the date on which the Group's right to receive the payment is established.

Interest income or expense is recognised using the effective interest method.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- the gross carrying amount of the financial asset; or
- the amortised cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortised cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is recognised by applying the effective interest rate to the recoverable amount of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

Fee and commission income:

The Group recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Group identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations.

Loan related charges such as cheque bounce charges, foreclosure charges are recognised only on receipt basis.

Notes to the Consolidated Financial Statements (Contd.)

15. Income from de-recognition of assets:

Gains arising out of de-recognition transactions comprise the difference between the interest on the loan portfolio and the applicable rate at which the transaction is entered into with the transferee, also known as the right of excess interest spread (EIS). The future EIS basis the scheduled cash flows on execution of the transaction estimated for prepayments and defaults, discounted at the applicable rate entered into with the transferee is recorded upfront, net off estimated cost, in the statement of profit and loss.

16. Finance Cost

Finance costs include interest expense calculated using the EIR on respective financial instruments and borrowings including foreign currency borrowings measured at amortised cost, finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to interest costs. All other Borrowing costs are recognised in the Statement of profit and loss in the period in which they are incurred.

17. Employee benefits

i. Short-term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii. Contribution to provident fund and Employees' State Insurance Corporation (ESIC)

Group's contribution paid/payable during the period to provident fund and ESIC is recognised in the Statement of profit and loss.

iii. Gratuity

The Group's liability towards gratuity scheme is determined by independent actuaries, using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation. This cost is included in employee benefit expense in the Statement of profit and loss.

Remeasurement of defined benefit plans, comprising of actuarial gains / losses, return on plan assets excluding interest income are recognised immediately in the balance sheet with corresponding debit or credit to Other Comprehensive Income (OCI). Remeasurements are not reclassified to Statement of profit and loss in the subsequent period.

iv. Compensated absence

The Group does not have a policy of encashment of unavailed leaves for its employees and are not permitted to carry forward the leaves. Hence there is no liability towards compensated absence.

18. Foreign currency

Transaction and balances

Transactions in foreign currencies are translated into the functional currency of the Group at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction. At each closing date, foreign currency monetary items are reported using the closing exchange rate.

Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Group's monetary items at the closing rate are recognized as income and expenses in the period in which they arise.

Notes to the Consolidated Financial Statements (Contd.)

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of transactions. Non-monetary items that are measured at fair value in a foreign currency shall be translated using the exchange rates at the date when the fair value was determined. Exchange differences are recognised in the Consolidated Statement of Profit and Loss.

19. Earnings per share

The basic earnings per share ("EPS") is computed by dividing the net profit / (loss) after tax for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, net profit / (loss) after tax for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

20. Statement of Cash flows

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

21. Segment Reporting

The Group operates in a single reportable segment i.e., financing, since the nature of the loans are exposed to similar risk and return profiles hence they are collectively operating under a single segment. The Group operates in a single geographical segment i.e. domestic.

22. Provisions, contingent liabilities and contingent assets

a. Provisions

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The expenses relating to a provision is presented in the Consolidated Statement of Profit and Loss.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows specific to the liability. The unwinding of the discount is recognised as finance cost.

b. Onerous contracts

Provisions for onerous contracts are recognized when the expected benefits to be derived from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Group recognises any impairment loss on the assets associated with that contract.

c. Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. When there is a possible obligation of a present obligation in respect of which the likelihood of outflow of resources is remote, no disclosure is made.

The Group has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. The Group assesses its obligations arising in the normal course of business, including pending litigations, proceedings pending with tax authorities and other contracts including derivative and long term contracts periodically and ensures that appropriate treatment has been made as required under Ind AS.

d. Contingent assets

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognised in the period in which the change occurs.

Notes to the Consolidated Financial Statements (Contd.)

Provisions, contingent assets, contingent liabilities and commitments are reviewed at each reporting date.

23. Exceptional items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such items is disclosed separately as exceptional items.

24. Standards issued but not yet effective upto the date of issuance of the financial statements

There are no standards that are notified and not yet effective as on date.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2025

2. CASH AND CASH EQUIVALENTS

(INR. in lakh)

Particulars	As at March 31, 2025	As at March 31, 2024
Balances with banks in current accounts	63,410.36	8,496.96
Fixed Deposit with banks with original maturity of less than 3 months	3,526.15	-
Total	66,936.51	8,496.96

3. BANK BALANCE OTHER THAN CASH AND CASH EQUIVALENTS

(INR. in lakh)

Particulars	As at March 31, 2025	As at March 31, 2024
Fixed deposit with bank with original maturity of more than 3 months*	17,234.70	8,323.96
Total	17,234.70	8,323.96

*Includes lien marked fixed deposits for borrowings amounting to INR. 12,998.67 lakh (PY INR. 6,104.07 lakh)

4. DERIVATIVE FINANCIAL INSTRUMENTS

(INR. in lakh)

Particulars	As at March 31, 2025	As at March 31, 2024
(A) Derivative financial assets at fair value		
(i) Cross Currency Interest Rate Swaps		
Cash flow hedge (Notional amount (Rs in lakh): 72,207.23, PY : 5,811.40)*	514.67	25.74

Loss on change in proportion held by NCI	-	315.08
Total	3,15,574.81	2,74,495.54

Description of nature and purpose of each reserve

- (i) **Special reserve** - As per Section 45-IC of the Reserve Bank of India Act, 1934, the Company is required to transfer at least 20% of its net profits every year to a reserve before any dividend is declared. Thus, during the years ended 31 March 2025 and 31 March 2024, the Company has transferred to the Statutory Reserve an amount arrived at in accordance with Section 45-IC of the Reserve Bank of India Act, 1934.
- (ii) **Securities premium** - Securities premium is used to record the premium on issue of shares. It can be utilised only for limited purposes in accordance with the provisions of the Companies Act, 2013.
- (iii) **Share based payment reserve** - Share options outstanding account is created as required by Ind AS 102 'Share Based Payments' on the Employee stock option schemes operated by the Group for its employees. Refer Note no 37.
- (iv) **Retained earnings** - Retained earnings represents the amount of accumulated earnings of the Company.
- (v) **Merger Reserve** - The "Merger Reserve" is created on account of difference between legal capital of erstwhile InCred Prime Finance Private Limited (formerly, InCred Financial Services Limited) ('erstwhile IFSL') and InCred Financial Services Limited (formerly, KKR India Financial Services Limited) ('new IFSL') along with capital contribution from parent. The Demerger was executed in FY 2022-23 through the NCLT order. (Refer Note 42)
- (vi) **Capital Redemption Reserve** - Reserve created on buy back of Equity shares as per Companies Act, 2013.
- (vii) **Other comprehensive income:**
- (a) **Debt instruments through other comprehensive income** - The Company recognises changes in the fair value of debt instruments held with a dual business objective of collect and sell in other comprehensive income. These changes are accumulated in the FVOCI debt investments reserve. The Company transfers amounts from this reserve to profit or loss when the debt instruments are derecognised. Any impairment loss on such instruments is reclassified immediately to the Statement of Profit and Loss.

FINANCIAL STATEMENTS

Notes to the Consolidated Financial Statements for the year ended March 31, 2025 (Contd.)

- (b) **Cash Flow hedge reserve** - This represents the cumulative gains / (losses) arising on the revaluation of derivative instruments designated at cash flow hedges through other comprehensive income.
- (c) **Equity instruments through other comprehensive income** - The Company has opted to recognise changes in the fair value of certain investments in equity in other comprehensive income. These changes are accumulated in the FVOCI equity investments reserve. The Company transfers amounts from this reserve to retained earnings when the relevant equity investments are derecognised.

Except for those financial instruments for which the fair value amounts are mentioned in the above table (which is different than the carrying value), the Group considers that the carrying amounts recognised in the financial statements approximate their fair values. For financial assets that are measured at fair value, the carrying amounts are equal to the fair values.

C. Measurement of fair values

The following sets out the Group's basis of establishing fair values of amortised cost financial instruments and their classification between Levels 1, 2 and 3. As certain categories of financial instruments are not actively traded, there is a significant level of management judgement involved in calculating the fair values:

Financial instruments held at amortised cost

i. Cash and bank balance:

The fair value of cash and balances with bank is their carrying amounts

ii. Loans and advances to customers:

For loans and advances to customers, the fair value of floating rate loans is their carrying amounts. Loans and advances are presented net of provisions for impairment. The fair value of loans and advances to customers with a residual maturity of less than one year generally approximates the carrying value. The fair value of fixed rate loans were calculated based on discounted cash flows using a current lending rate. The carrying value of Stage 3 loans are considered as fair value.

iii. Other financial assets:

The carrying amount of these financial instruments is considered to be a reasonable approximation of fair value as they are short term in nature.

iv. Investment in debt securities:

The group has investments in debt securities with fixed rates. The carrying amount of these financial instruments is considered to be a reasonable approximation of fair value as they are short term in nature.

v. Debt securities and borrowings:

The estimated fair value of fixed interest bearing borrowings without quoted market prices is based on discounted cash flows using the prevailing rates at which Company has borrowed for debts with a similar credit risk and remaining maturity. For market linked debentures, the fair value published by CRISIL Rating Agency as at March 31, 2025 has been considered for fair valuation. For floating rate borrowings, the carrying value is a reasonable approximation to the fair value.

Notes to the Consolidated Financial Statements for the year ended March 31, 2025 (Contd.)

vi. Other financial liabilities:

The carrying amount of these financial instruments is considered to be a reasonable approximation of fair value as they are either short term in nature.

Financial instruments held at fair value**i. Investment in mutual funds:**

The investment in liquid funds are valued using the closing NAV in the market.

ii. Investment in debt securities:

Fair value is based on market-observable data such as secondary market prices for its traded debt and where no data is available, it is estimated using market yield on the balance period to maturity on similar instruments using G-Sec rates adjusted for credit risk of the instruments.

Gains or losses on transfers amongst categories

The Group's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of reporting period

Inter-level transfers

There are no transfers of financial assets and liabilities measured at fair value between Levels 1 and 2 and Level 2 and 3 during the financial years ended March 31, 2025 and March 31, 2024.

D. Sensitivity analysis of financial instruments at Level 3

Particulars	As at March 31, 2025		As at March 31, 2024		
	Delta effect of		Delta effect of

Borrowings (other than debt securities)	Discount rate	(2,159.07)	2,212.96	(428.83)	434.49

33. FINANCIAL RISK MANAGEMENT

In the course of its business, the Group is exposed to certain financial risks namely credit risk, interest risk, market risk & liquidity risk. The Group's primary focus is to achieve better predictability of financial markets and seek to minimize potential adverse effects on its financial performance. The financial risks are managed in accordance with the Group's risk management policy which has been approved by its Board of Directors.

The Group's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The board of directors has established the Risk Management Committee, which is responsible for developing and monitoring the Group's risk management policies. The committee reports regularly to the board of directors on its activities.

The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities.

A. Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations i.e. receivables from customers, investments in debt securities. Credit risk arises from loans and advances, investments carried at amortized cost and deposits with banks and financial institutions.

i) Credit risk management

The Group's key objective is to maintain a strong culture of responsible lending, and robust risk policies and control frameworks. The Group considers various factors, which provide an assessment of the borrower's ability-to-pay and willingness-to-pay. While the techniques used for assessment vary across product-segments, the credit principles remain a common factor.

Notes to the Consolidated Financial Statements for the year ended March 31, 2025 (Contd.)

The key factors considered include:

- **Income and cash flow analysis:** The borrower's income from multiple sources is assessed, along with the borrower's obligations and financial commitments. Hence, the funds available to repay the loan/EMI is computed, and the loan is tailored to be affordable to the borrower. For certain product types working capital gap is also calculated. For student loans, country risks are also taken into consideration for income assessment.
- **Credit history analysis:** The borrower's experience in managing debt is considered. Prior delinquencies are considered. A strong repayment track record is typically an indicator of the customer's ability-to-pay. Exceptions and nuances, like customers with a limited credit history but with strengths like job-tenure or asset-ownership, are also considered to make appropriate credit decisions.
- **Borrower's profile and intended use of the funds:** The borrower's intended use of funds is considered as a part of the credit process, including the calculation of working capital cycle for certain product types. In some product-segments, the use of funds may be certified by the borrower or controlled by disbursing directly to the end-use. Borrower profiles which are not in targeted market-segments are screened out.
- **Security cover provided:** The Group has a well defined credit policy which lays out the security to be provided. In certain cases, providing the relevant collateral is a pre-condition for loan sanction.
- **Collectability and geo-location:** The borrower's location, accessibility, stability and contact-ability are all considered before loan sanction. In cases where there are doubts or concerns about any of these factors, an adverse adjustment to the risk-profile is made.
- **Risk Management of unsecured exposure:** The Group periodically monitors sectoral limits for consumer credit in line with the extant regulations. Also, there is a Board approved framework in place for periodic review and monitoring of sub-sectoral limits and adherence to the exposure limits on an ongoing basis by the Risk Management Committee of the Board. The Group has data analytics led early warning process to check stress build up of portfolio in certain pockets and is always vigilant to mitigate the risks through timely policy changes and other sourcing related actions to maintain the portfolio quality. Also, effective collection strategies, proactive communication, and building robust collection capacities are essential measures to mitigate risks and ensure sustainable growth. By focusing on these areas, the Company enhances its resilience and better manage the challenges associated with loan collections. The Group has separate data science/analytics team which monitors the vintage curve, bounce rates, collection efficiency, portfolio metrics and delinquencies further periodic re-audit of existing cases to unearth delinquency trends and credit learnings.

Measurement of Expected Credit Losses ('ECL')

The Group has segmented its outstanding portfolio based based on multiple factors such as risk profile, product type, credit underwriting policy, sourcing channels etc. for the computation of ECL.

A three-stage model for impairment based on changes in credit quality since initial recognition has been implemented. The Group has used Days Past Due ('DPD') basis for staging of the portfolio and has opted for the rebuttable presumption prescribed by the standard to recognize default in case payments are overdue more than 90 days and a Significant Increase in Credit Risk ('SICR') in case payments are overdue for more than 30 days.

The ECL allowance is based on the credit losses expected to arise over the life of the asset (the lifetime expected credit loss), unless there has been no significant increase in credit risk since origination, in which case, the allowance is based on the 12 months' expected credit loss.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is the portion of Lifetime ECL that represent the ECLs that result from default events on a financial instrument that are possible within the 12 months after the reporting date.

Both Lifetime ECLs and 12-month ECLs are calculated on either an individual basis /collective basis, depending on the nature of the underlying portfolio of financial instruments. The Group has established a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition, by considering the change in the risk of default occurring over the remaining life of the financial instrument. The Group does the assessment of significant increase in credit risk at a borrower level. Based on the above, the Group categorises its loans into Stage 1, Stage 2 and Stage 3.

The Group measures the amount of ECL on a financial instrument in a way that reflects an unbiased and probability-weighted amount. The Group considers its historical loss experience and adjusts the same for current observable data. The key inputs into the measurement of ECL are the probability of default, loss given default and exposure at default. These parameters are derived from the Groups's internally developed statistical models and other historical data. In addition, the Group uses reasonable and supportable information on future economic conditions including macroeconomic factors such as real GDP, unemployment rate, growth in wages, real wholesale and retail trade, services etc. Since incorporating these forward looking information increases the judgment as to how the changes in these macroeconomic factor will affect ECL, the methodology and assumptions are reviewed regularly. While considering the macroeconomic factor, Group consider economic span of base case, plus upside and downside scenario.

The Group also uses an internally developed model in unsecured personal Loan portfolio as part of its Probability of Default (PD) estimation within the Expected Credit Loss (ECL) framework. The internally developed model is a proprietary Machine Learning based scoring system designed to evaluate the risk level of loan accounts and combines various data points as per the Credit Bureau of the borrower. The model is derived using internal data elements such as credit history, repayment behaviour, and borrower demographics, enabling the Company to build a comprehensive borrower risk profile. This scoring mechanism is integrated to assess the credit quality of individual exposures and assign risk grades, which are then mapped to corresponding PD values. The use case of this model in ECL computation is to further break down a portfolio segment by grouping the borrowers exhibiting similar risk characteristics.

Notes to the Consolidated Financial Statements for the year ended March 31, 2025 (Contd.)

Portfolio Segment	Lending verticals	PD			EAD	LGD
		Stage 1	Stage 2	Stage 3		
Unsecured	Personal Loan	An empirical PD is derived basis the historical portfolio default rates. Forward looking PD is estimated from a statistical model that takes the empirical PD and future the macro-economic forecast as inputs.	100%	100%	Exposure at Default (EAD) is the amount which the borrower owes as at the reporting date (including overdue and undrawn amount)	As per empirical data
	Student Loans					
	Supply Chain Finance					
	Escrow Backed Unsecured Business Loan					
Secured	Structured Finance	An empirical PD is derived basis the historical portfolio default rates. Forward looking PD is estimated from a statistical model that takes the empirical PD and future the macro-economic forecast as inputs	100%	100%	Exposure at Default (EAD) is the amount which the borrower owes as at the reporting date (including overdue and undrawn amount)	Considered 50% for secured portfolio as per regulatory guidelines
	Two Wheeler Finance					
	Secured School Finance					
	Supply Chain Finance					
	Lending to Other Financial Institutions	In absence of sufficient default data, a management judgement-based PD is used in line with industry benchmarks				
	Loan Against Property					
	Home Loans

Collateral held

The Group periodically monitors the quality as well as the value of the security to meet the prescribed limits. The collateral held by the Group varies on case to case basis and includes:

- First/Subservient charge on the Land and/or Building of the project or other projects
- First/Subservient charge on the fixed and current assets of the borrower
- Hypothecation over receivables from funded project or other projects of the borrower
- Default Loss Guarantee (DLG) in the form of cash collateral, lien on fixed deposits etc.

Further, the Group on the basis of its assessment of credit risk classifies loans under Stage 2 irrespective of its overdues status during the period, including loans under one-time resolution (OTR) framework prescribed by the Reserve Bank of India (RBI) for COVID-19 related stress. These accounts are upgraded to Stage 1 as and when they demonstrate satisfactory behaviour under the revised repayment schedule.

FINANCIAL STATEMENTS

Notes to the Consolidated Financial Statements for the year ended March 31, 2025 (Contd.)

(ii) Reconciliation of Loan exposure and Loan loss allowance

For Loan exposure

The below table signifies movement of gross carrying amount:

(INR. in lakh)

Reconciliation of Loan exposure	Stage 1	Stage 2	Stage 3
Loan exposure on March 31, 2023	5,17,734.29	26,125.43	11,703.87
Change in opening credit exposure	(2,96,445.03)	(19,886.86)	(7,503.59)
New credit exposures during the year, net of repayment*	5,10,143.41	3,976.48	4,197.70
Transferred to 12-month ECL	2,316.61	(1,741.49)	(575.11)
Transferred to Lifetime ECL not credit impaired	(5,667.27)	6,123.73	(456.46)

*represents outstanding balance of loan exposures originated during the year as at reporting date.

For Loan loss allowance:

(INR. in lakh)

Reconciliation of loss allowance	Stage 1	Stage 2	Stage 3
Loss allowance on March 31, 2023	2,959.91	5,463.34	6,615.28
Change in opening credit exposure	(2,400.18)	(2,776.77)	6,634.31
New credit exposures during the year, net of repayment*	5,053.81	902.75	1,715.55
Transferred to 12-month ECL	537.71	(253.11)	(284.60)
Transferred to Lifetime ECL not credit impaired	(45.84)	248.73	(202.89)
Transferred to Lifetime ECL credit impaired	(116.00)	(202.89)	318.89
Write – offs	-	-	(5,121.24)
Loss allowance on March 31, 2024	5,989.41	3,382.05	9,675.31
Change in opening credit exposure	(2,312.92)	1,299.18	10,111.03
New credit exposures during the year, net of repayment*	7,434.85	1,296.29	2,731.33
Transferred to 12-month ECL	459.51	(410.07)	(49.44)
Transferred to Lifetime ECL not credit impaired	(103.50)	156.76	(53.26)
Transferred to Lifetime ECL credit impaired	(254.17)	(1,040.57)	1,294.73
Write – offs	-	-	(10,513.23)
Loss allowance on March 31, 2025	11,213.18	4,683.64	13,196.47

*represents outstanding balance of loss allowance on loan exposures originated during the year as at reporting date.

Notes to the Consolidated Financial Statements for the year ended March 31, 2025 (Contd.)

For investments

(INR. in lakh)

Reconciliation of loss allowance	Stage 1
Loss allowance on March 31, 2023	8.04
Changes in loss allowances due to Assets used or released	(1.33)
Loss allowance on March 31, 2024	6.71
Changes in loss allowances due to Assets used or released	85.61
Loss allowance on March 31, 2025	92.32

The company has assessed the impairment allowance on trade receivables and other financial assets and has taken the impairment loss of INR. 14.11 lakh for current year (PY : Nil). Investments at amortised cost and FVOCI are all classified as Stage I

For loan commitments

(INR. in lakh)

Reconciliation of loss allowance	Stage 1
Loss allowance on 31 March 2023	20.16
Changes in loss allowances due to Assets used or released	(11.31)
Loss allowance on 31 March 2024	8.85
Changes in loss allowances due to Assets used or released	4.09
Loss allowance on 31 March 2025	12.94

Offsetting financial assets and financial liabilities

There are no financial assets and Financial liabilities which are subject to offsetting, enforceable master netting arrangements and similar agreements.

FINANCIAL STATEMENTS

Notes to the Consolidated Financial Statements for the year ended March 31, 2025 (Contd.)

33. FINANCIAL RISK MANAGEMENT (CONTINUED)

B. Liquidity risk

Liquidity Risk refers to insufficiency of funds to meet the financial obligations. Liquidity Risk Management implies maintenance of sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit lines to meet obligations when due.

The Group has formulated an Asset Liability Management Policy. The Asset Liability Management Committee ('ALCO') is responsible for the management of the Group's short-term, medium-term and long-term funding and liquidity management requirements. The Group manages liquidity risk by maintaining adequate reserves, banking facilities and by continuously monitoring forecast and actual cash flows, and by assessing the maturity profiles of financial assets and liabilities.

The Group has the following uncancellable undrawn credit lines available as at the end of the reporting period:

(INR. in lakh)

Particulars	As at March 31, 2025	As at March 31, 2024
Expiring within one year	91,600.00	9,873.00
Total	91,600.00	9,873.00

The following tables detail the Group's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group can be required to pay. The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the rate applicable as of reporting period ends respectively has been considered.

As at March 31, 2025

(INR. in lakh)

Particulars	Note No	Contractual cash flows					
		Carrying amount	Gross nominal inflow/ (outflow)	Less than 1 year	1-3 years	3-5 years	After 5 years

Notes to the Consolidated Financial Statements for the year ended March 31, 2025 (Contd.)

The following table details the Groups's expected maturity for its financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information is necessary in order to understand the Group's liquidity risk management as the liquidity is managed on a net asset and liability basis. Hence, maturities of the relevant assets have been considered below.

As at March 31, 2025

(INR. in lakh)

Particulars	Note No	Contractual cash flows					
		Carrying amount	Gross nominal inflow/ (outflow)	Less than 1 year	1-3 years	3-5 years	After 5 years
Maturities of financial assets							
Cash and cash equivalents	2	66,936.51	66,939.49	66,939.49	-	-	-
Bank balance other than cash and cash equivalents	3	17,234.70	17,949.16	14,849.40	3,099.76	-	-

FINANCIAL STATEMENTS

Notes to the Consolidated Financial Statements for the year ended March 31, 2025 (Contd.)

33. FINANCIAL RISK MANAGEMENT (CONTINUED)

C. Market risk

Market risk or Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group is exposed to interest rate risk through the impact of rate changes on interest-bearing liabilities and assets. The Group manages its interest rate risk by monitoring the movements in the market interest rates closely. The Group has Asset and Liability Management Committee (ALCO) and has empowered it to assess the interest rate risk run by it and provide appropriate guidelines to the Treasury to manage the risk. The ALCO reviews the interest rate risk on periodic basis.

Exposure to interest rate risk

Group's interest rate risk arises from borrowings and loans. The interest rate profile of the Group's interest-bearing financial instruments as reported to the management of the Group is as follows.

Particulars	(INR. in lakh)	
	Nominal amount	
	As at March 31, 2025	As at March 31, 2024
Loans		
- Fixed rate loans	7,20,982.01	4,52,042.47
- Variable rate loans	3,31,932.28	2,84,567.94
Fixed rate bank deposits	18,236.09	8,323.96
Fixed rate investments in debt securities at amortised cost	4,892.11	36,860.88
Fixed rate investments in debt securities at other comprehensive income	16,278.03	20,157.02
Total	10,92,320.52	8,01,952.27
Debt and Borrowings		
Fixed rate Debt and Borrowings	(3,89,379.38)	(1,87,728.20)
Variable rate Debt and Borrowings	(4,49,935.92)	(3,10,269.92)
Total	(8,39,315.30)	(4,97,638.12)

Fair value sensitivity analysis for fixed-rate instruments

The Group does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

Cash flow sensitivity analysis for variable-rate instruments

The sensitivity analyses below have been determined based on the exposure to interest rates for assets and liabilities at the end of the reporting period. For floating rate assets and liabilities, the analysis is prepared assuming the amount of the liabilities/assets outstanding at the end of the reporting period was outstanding for the whole year and the rates are reset as per the applicable reset dates.

If interest rates related to loans and borrowings had been 1% higher/ lower and all other variables were held constant, the Group's Profit before tax for the year ended/ Other Equity (pre-tax) as on March 31, 2025 and March 31, 2024 would increase/ (decrease) by the following amounts:

Particulars	(INR. in lakh)			
	Profit or (loss) before tax		Equity (before tax)	
	+ 1% Change	- 1% Change	+ 1% Change	- 1% Change
March 31, 2025				
Variable-rate instruments	(1,180.04)	1,180.04	(1,180.04)	1,180.04
Cash flow sensitivity (net)	(1,180.04)	1,180.04	(1,180.04)	1,180.04
March 31, 2024				
Variable-rate instruments	(257.02)	257.02	(257.02)	257.02
Cash flow sensitivity (net)	(257.02)	257.02	(257.02)	257.02

The risk estimates provided assume a parallel shift of 1% points interest rate across all yield curves. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

Notes to the Consolidated Financial Statements for the year ended March 31, 2025 (Contd.)

D. Price risk

The Group is exposed to price risk arising from investment in mutual funds and investment in debt securities classified in the balance sheet at fair value through profit & loss and at fair value through Other Comprehensive Income respectively. If the market price of the investments had been higher/lower by 1% from market price existing as at March 31, 2025, profit or loss(pre-tax) for the year ended March 31, 2025 would increase/decrease by INR. 435.43 lakh (PY : INR. 106.57 lakh) with a corresponding increase/decrease in the Total Equity of the Group as at March 31, 2025.

E. Foreign Currency Risk

The Group is exposed to foreign currency fluctuation risk for its external currency borrowing (ECB). The Group's borrowings in foreign currency are governed by RBI guidelines (RBI master direction RBI/FED/2018-19/67 dated 26 March 2019 and updated from time to time) which requires entities raising ECB for an average maturity of less than 5 years to hedge minimum 70% of the its ECB exposure (Principal and Coupon). The Group hedges its entire ECB exposure for the full tenure of the ECB as per Board approved policy. The Group for its ECB, evaluates the foreign currency exchange rates, tenure of ECB and its fully hedged costs. The Group is following hedge accounting. The Group manages its currency risks by entering into derivatives contracts as hedge positions and the same are being governed through the Board approved policy.

34. CHANGES IN LIABILITY ARISING FROM FINANCING ACTIVITIES**A. Changes in capital and asset structure arising from financing activities and investing activities (Ind AS 7 'Statement of Cash Flows')**

The Group does not have any financing activities and investing activities which affect the capital and asset structure of the Company without the use of cash and cash equivalents.

B. Changes in liability arising from financing activities (Ind AS 7 'Statement of Cash Flows')

Company's interest rate risk arises majorly from borrowings, loans and investments. The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows.

(INR. in lakh)

Particulars	As at April 01, 2024	Cash flows	Change in fair value	Other	As at March 31, 2025
Debt securities	96,989.56	82,609.17	-	(2,199.40)	1,77,399.33
Borrowings other than debt securities	4,04,365.93	2,60,730.63	-	(6,845.15)	6,58,251.41
Total	5,01,355.49	3,43,339.80	-	(9,044.55)	8,35,650.74

(INR. in lakh)

Particulars	As at April 01, 2023	Cash flows	Change in fair value	Other	As at March 31, 2024
Debt securities	1,15,190.09	(18,200.53)	-	-	96,989.56
Borrowings other than debt securities	2,76,105.88	1,22,745.46	-	5,514.59	4,04,365.93
Total	3,91,295.97	1,04,544.93	-	5,514.59	5,01,355.49

(i) Other includes interest accrued but not paid on borrowing, amortization of processing fees etc.

(ii) Total Liabilities comprises of Debt securities and Borrowings (other than debt securities)

Delta effect of -1% change in rate of employee turnover	9.87	7.26

Notes to the Consolidated Financial Statements for the year ended March 31, 2025 (Contd.)

Qualitative disclosures

Gratuity is a defined benefit plan and group is exposed to the Following Risks:

Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision.

Salary risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Group has to manage pay-out based on pay as you go basis from own funds.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

37. SHARE-BASED PAYMENT ARRANGEMENTS**A. Description of share-based payment arrangements****i. Share option plans (equity-settled)**

The Board of Directors of InCred Holdings Limited (the "Holding Company") on August 26, 2022 adopted Employees Stock Incentive Plan under which share options shall be granted to eligible employees of the Holding Company and the Company from time to time ("New ESOP Scheme"). Such Scheme also covered employees of the Company which were transferred pursuant to the Scheme of Arrangement, holding Employee Stock Options under the ESOP Scheme of erstwhile IFSL ("Erstwhile ESOP Scheme"). The options granted to employees under the Erstwhile ESOP scheme continue to have similar terms and conditions in respect of vesting / exercise etc. under the New ESOP Scheme. As assessed by the Company, grant of options under the New ESOP Scheme to employees of erstwhile IFSL does not form part of consideration discharged as the Company is assessed to be accounting acquiree as per Ind AS 103.

Consequently, the charge towards share-based payment in terms of Ind AS 102 has been recorded on a basis that such New ESOP Scheme is only a continuation of Erstwhile ESOP Scheme. The liability towards the employee ESOP cost in the books of the Company is compensated by way of capital contribution by Holding Company in the Company.

The Group has established share option plans that entitle the employees of the Company and its subsidiary companies to purchase the shares of the Company. Under these plans, holders of the vested options are entitled to purchase shares at the exercise price of the shares determined at the respective date of grant of options.

The key terms and conditions related to the vesting of grants under these plans are continued employment with the company from the date of grant of option till the date of vesting (25% each year); all options are to be settled by the delivery of shares.

A. Measurement of fair values**Equity-settled share-based payment arrangements**

The fair value of the employee share options has been measured using Black-Scholes Option pricing model. The fair value of the options and the inputs used in the measurement of the grant-date fair values of the equity-settled share based payment options granted during the year are as follows:

THE MODEL INPUTS FOR OPTIONS GRANTED DURING

Particulars / Grant date	Year ended March 31, 2025	Year ended March 31, 2024
Fair value as on grant date (weighted average)	68.48 to 110.70	26.68 to 99.78
Share prices during the year , on grant dates	134.99 to 136.07	67.02 to 134.98
Exercise price	40 to 90	40 to 60
Expected volatility (weighted average volatility)	40%	40%

(INR. in lakh)

Particulars	As at March 31, 2025	As at March 31, 2024
Balance at the beginning of the year	1,843.78	2,182.21
Addition during the year	209.94	294.01
Disposals during the year	-	-
Depreciation for the year	(623.39)	(632.44)
Balance as at the end of the year	1,430.33	1,843.78

ii. The following is the movement in lease liabilities:

(INR. in lakh)

Particulars	As at March 31, 2025	As at March 31, 2024
Balance at the beginning of the year	2,220.34	2,522.02
Addition during the year	209.94	294.02
Finance cost accrued during the year	203.46	241.56
Payment of Lease liabilities made during the year	(845.92)	(837.26)
Balance as at the end of the year	1,787.82	2,220.34

iii. The table below provides details regarding the contractual maturities of lease liabilities on an undiscounted basis:

(INR. in lakh)

Particulars	As at March 31, 2025	As at March 31, 2024
Less than one year	714.95	809.69
Between one and five years	1,326.36	1,822.59
More than five years	35.22	-
Total	2,076.53	2,632.28

Notes to the Consolidated Financial Statements for the year ended March 31, 2025 (Contd.)

iv. Maturity Analysis of carrying value of lease liability

(INR. in lakh)

Particulars	As at March 31, 2025	As at March 31, 2024
Within 12 months	567.85	623.84
After 12 months	1,219.97	1,596.50
Total	1,787.82	2,220.34

v. Expenses recognised in the statement of Profit and Loss

(INR. in lakh)

Particulars	As at March 31, 2025	As at March 31, 2024
Depreciation expense on right-of-use assets (Refer Note 10)	623.38	632.44
Interest expense on lease liabilities (Refer Note 26)	203.46	241.56
Expense relating to short-term leases (Refer Note 29)	400.01	210.50

The Group does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

39. CONTINGENT LIABILITIES AND COMMITMENTS

(INR. in lakh)

Particulars	As at March 31, 2025	As at March 31, 2024
Commitments		
Undrawn committed credit lines*	39,082.62	49,641.06
Obligation on investments in partly paid up preference shares	357.18	357.18
Capital commitments	-	85.00
Total	39,439.80	50,083.24

*Does not include undrawn commitments which are unconditionally cancellable by the Company or improbable for future drawdowns. Such lines are not considered for impairment allowance testing.

There are no litigations and proceedings against the Group which requires any provision or disclosure as contingent liability.

Notes to the Consolidated Financial Statements for the year ended March 31, 2025 (Contd.)

41. FOREIGN CURRENCY TRANSACTIONS

(INR. in lakh)

Particulars	Year ended March 31, 2025	Year ended March 31, 2024
Expenditure in foreign currency		
Legal, professional and consultancy charges	620.48	827.66
Information Technology expenses	146.88	42.68
Advance to vendor	-	24.80
Membership and subscription	98.42	-
Miscellaneous expenses	4.01	14.07
Interest on External Commercial Borrowings	2,971.73	610.72
Purchase of Software	-	81.74
Bank Charges	0.45	-
Total	3,841.97	1,601.67

42. COMPOSITE SCHEME OF ARRANGEMENT

Under the Composite Scheme of Arrangement (the 'Scheme') effective from April 01, 2022, the identified NBFC business of InCred Prime Finance Private Limited (erstwhile Incred Financial Services Limited) has been demerged with InCred Financial Services Limited (formerly, KKR India Financial Services Limited).

Further as per the Scheme, the remaining NBFC business (i.e. after excluding identified NBFC business demerged under the Scheme) shall continue to be carried out by IFSL. Accordingly, the net assets of INR. 1,077.31 lakh pertaining to the remaining NBFC business will continue to remain in the erstwhile IFSL.

The deemed purchase consideration, represented by the equity instruments to be issued in accordance with Ind AS 103 pursuant to the reverse merger, has been compared with the net assets recognized under the Scheme. The resulting difference has been accounted for as goodwill.

43. GOODWILL

The carrying amount of goodwill acquired in business combination as follows:

Particulars	As at March 31 2025	As at March 31 2024
Balance at the beginning of the year	6,645.58	6,778.74
Goodwill arising on account of business combination	-	-
Impaired during the year	-	(133.16)
Balance at the end of Period	6,645.58	6,645.58

Of the above, goodwill amounting to INR. 6,126.09 lakh pertains to parent entity which arises due to difference between purchase consideration and the net asset acquired on account of composite scheme referred in note 41. The goodwill is supported by the potential realisation of the sale of the underlying security (land). During the current year, there have been legal proceedings (by the Regulatory Authority) resulting in attachment of the said security. The Company is in the process of contesting the proceedings. As of the date of reporting, the management, based on the opinion received from the external legal counsel and internal assessment, has not made any adjustment to the carrying value of the goodwill.

Notes to the Consolidated Financial Statements for the year ended March 31, 2025 (Contd.)

44 . OTHER STATUTORY INFORMATION

During the current year and previous year:

- (i) The Group does not have any Benami property, where any proceeding has been initiated or pending against the Group for holding any Benami property.
